PRISMA-2K25-28th February to 01st March 2025

The Cultural fest of the university is where students come together and make a memorable day. It includes different activities like games, dance, Cultural society's student performances, and a DJ night which was the life of the event. SRM University organized its Cultural fest in the month of May. The Punjabi singer Jordan Sandhu and Haryanvi Singer Ajay Hooda also came and star- lighted the event. With an unwavering commitment to elevating the musical experience at our annual techno-cultural fest, PRISMA, our music society/club took center stage as hosts of electrifying music events. Through meticulous planning and passion- driven execution, we attracted twice the number of enthusiastic participants and witnessed a remarkable increase in prize collections compared tothe previous year. By curating diverse and engaging music competitions and performances, we amplified the festival's allure, leaving an indelible mark on the hearts of both participants and attendees. The resounding success of our music events stands as a testament to our dedication in making PRISMA a true celebration of talent, creativity, and the transformative power of music.
