International Yoga Day

NCC unit of SRM University celebrate International Yoga Day on 21.06.2025. We can connect ourself with our inner soul by practicing yoga. Theme of this year is "Yoga for One Earth, One Health". The theme emphasizes that personal wellness and planetary health are inseparably linked. The essence of yoga is balance - not just balance within the body or that between the mind and the body, but also balance in the human relationship with the world. Vice Chancellor Prof. Pramjit S. Jaswal and Prof (Dr.) V Samuel Raj Registrar of SRM University encouraged students to practice this exercise not on yoga day but every day. He highlighted yoga's benefits, including stress reduction, improved flexibility, and enhance mental clarity.
