**The Committee discussed the course curriculum semester-wise in detail and recommended the following:**

The following modifications were suggested by the Expert in the Syllabus and the same have been implemented:

| S. No. | Issue Discussed   | Action Taken   |
|--------|---|--|
| 1.     | Course Objectives of all the papers needs to be reframed based on Bloom's Taxonomy and the Course Learning Outcomes needs to be altered accordingly with appropriate mapping between the two. | All Course objectives and Learning outcomes revised        |
| 2.     | Book list of all the papers needs to be updated. Only the recent books need to be added. 1-2 books in textbook and remaining in reference books.  | List of books revised as per the directions of the experts |
| 3.     | Project Work should be carried forward for the dissertation so that submission are on time.   | Changes incorporated                                       |
| 4.     | Project Work should be given in the seventh semester for the above mentioned course and to be carried forward for dissertation.   | Changes implemented  |

|-----|---|---|
|     |   |   |
| 5.  | Research related papers should come in the fifth semester.  | Suggestions have been incorporated      |
| 6.  | <p>"School of Thoughts" should be placed in the initial semesters.</p> <p>Third semester should be having basics of qualitative aspects of papers and fourth semester should have application aspects of papers.</p>  | Changes made in the syllabus            |
| 7.  | Include more papers in fifth semester as Minor Courses like - Leadership Skills and Basics of Organizational Behaviour in OB Papers.  | Syllabus is already having these papers |
| 8.  | Indian and Western Perspective of Personality should be taught and the syllabus needs to be specific.   | Changes incorporated                    |
| 9.  | Include more papers in sixth semester like - Selection and Training and Human Resource Management, and the same principle should be followed for Clinical and Counseling Psychology. Hence, these papers will help in pursuing jobs for the students while in the mid of their studies. | Suggestions incorporated                |
| 10. | Community Psychology should be in continuation with Social Psychology for the broader understanding of principles of Social and Community Psychology.   | We are following the same               |
| 11. | <p>Some courses may be designed like:</p> <ol style="list-style-type: none"> <li>1. Basics of Stress Management</li> <li>2. Personality Growth and Development.</li> </ol> <p>The purpose is to develop other students who are not from Psychology.</p>                                 | Changes made in the syllabus            |
