Dear Professor Raj

Invitation to become a Fellow of the Royal Society of Chemistry

The Royal Society of Chemistry is the world's leading chemistry community, advancing excellence in the chemical sciences, thanks to the contributions and support of our 47,000 members worldwide.

In recognition of your significant contributions to the chemical sciences, in particular your extensive work in coordinating all of C4D's impressive International Collaborations on drug discovery, I invite you to become a Fellow of the Royal Society of Chemistry. With your support, we can continue to promote the development, practice and application of the chemical sciences across the world. In particular, I am eager to encourage – as I am sure you are – the wider participation of students and young people in our subject.

To accept this invitation to become a Fellow of the Royal Society of Chemistry, please complete the electronic acceptance form which was attached alongside this invitation and return either by clicking on the 'submit' button on the form, or by return email. There will be no subscription fee to pay for the first year of membership.

As an invited Fellow, your personal contact at the Royal Society of Chemistry will be Dr Helen Pain, Chief Executive. Helen will be able to facilitate your engagement and involvement with the Royal Society of Chemistry, and can be contacted at: painh@rsc.org

I do hope that you decide to join the Royal Society of Chemistry and contribute your support to our network of chemical scientists worldwide.

Yours sincerely

Professor Tom Welton OBE CChem FRSC
President

Dear Ramendra Pati Pandey,

Global assessor agreement

This letter sets out what we can each reasonably expect from your role as Global Assessor with the Royal Society of Tropical Medicine and Hygiene (RSTMH). We appreciate you giving your time to us as a volunteer and are committed to making the experience as enjoyable and rewarding as we can.

1. GLOBAL ASSESSOR ROLE

Your role as Global Assessor starts on 21/12/20, and your duties will include supporting RSTMH with reviewing small grants applications and/or abstract submissions. We hope that you will be able to provide a few hours a week for reviewing periods, however, we are flexible about your busy and less busy periods and would try and assign applications or submissions accordingly. Ideally you would be in the role of a global assessor for 2 years, with a review after 1 year.

We expect you to perform your role to the best of your ability and to follow our procedures and standards, including health and safety and equal opportunities, and to comply with the Bribery Act 2010. You can expect us to deal with you in accordance with our equal opportunities policy.

2. INDUCTION AND TRAINING

We will provide an induction explaining what we do and how Global Assessors fit within the organisation. We will also provide training on your role more specifically, with guidelines and policies.

3. SUPERVISION AND SUPPORT

Your main point of contact during your volunteering with us is Tamar Ghosh. You will have regular catch ups with Tamar to agree work and discuss any problems or complaints you may have.

Please give Tamar as much notice as possible if you are unable to help us when expected.

4. EXPENSES

We will reimburse certain out-of-pocket expenses incurred in connection with your role as a Global Assessor, which is found in the volunteer expenses policy to be provided to you.

5. INSURANCE

We will provide adequate insurance cover for you while you are undertaking voluntary work approved and authorised by us.

6. CONFLICT OF INTEREST

We expect you may identify conflicts of interests with applicants, referees or submitters you know, or work closely with, in the course of work as a Global Assessor. We expect you to declare these conflicts of interest to us straight away, based on our definition below. In cases of unidentified conflicts of interest which present serious risk to the integrity or reputation of RSTMH and its grant programme, we reserve the right to remove you as a global assessor. Conflict of interest is defined as:

- Published with the applicant or referees in the last three years
- Collaborated with the applicant or referees in the last three years
- Your research is in direct competition with the applicant or referees' research
- Based at the same institution as the applicant or referees
- Named on the application as an applicant or collaborator

7. CONFIDENTIALITY

In the course of being a Global Assessor, you may have access to Confidential Information relating to Royal Society of Tropical Medicine and Hygiene, our members and supporters. We expect you not to use or disclose this information to any person either during your role with us or at any time afterwards and that you do not store this information after completion of the assessments, nor use this information for any other purpose.

8. DATA PROTECTION

With regards to the Confidential Information that is shared with you as part of your volunteer Global Assessor role, you agree that you will process Confidential Information in accordance with the privacy notice which is annexed to this Agreement. Specifically, you agree that;

- i. for the purposes of the Data Protection Legislation, RSTMH is the data controller and you are the data processor;
- ii. you will comply with Data Protection Legislation and will only process that Personal Data only on written instructions of RSTMH (unless required by law to act without such instructions);
- iii. you will keep the Personal Data confidential and comply with any reasonable request from RSTMH with respect to processing Personal Data;
- iv. you will comply with RSTMH's Data protection policy and data retention guidelines;
- v. you will not disclose Confidential Information to a third party, nor transfer any Personal Data outside of the European Economic Area without prior written consent.
- vi. you will assist RSTMH in responding to any data subject access request and to ensure compliance with its obligations under the Data Protection Legislation with respect to security, breach notifications, privacy impact assessments and consultations with supervisory authorities or regulators.
- vii. you will notify us without undue delay on becoming aware of a Personal Data breach which relates to RSTMH's compliance with the Data Protection Legislation.
- viii. you will delete or return Personal Data and any copies to RSTMH as requested, and once the assessments have been concluded.

- ix. You will maintain complete and accurate records and information to demonstrate compliance with this clause
- x. You shall ensure that you have in place appropriate technical or organisational measures to protect against unauthorised or unlawful processing of Personal Data

For further information on how your data is collected and processed, please refer to the Volunteer Privacy Notice annexed to this Agreement.

9. LEAVING

We ask that you give us as much notice as possible if you are unable to continue as a Global Assessor with us, so that we can rearrange our work.

This agreement is binding in honour only, is not intended to be a legally binding contract between us and may be cancelled at any time at the discretion of either party. Neither of us intends any employment relationship to be created either now or at any time in the future.

Please acknowledge that you understand the contents of this letter by signing, dating and returning the enclosed copy.
