Foreword

Swami Vivekananda ji, the great saint of India, said: "Education is the manifestation of the perfection already present in man". But one needs a right place, guidance and opportunity to grow and come out with full potential. If a person avails the proper opportunity at the right time and place under the right guidance, he can "learn, leap and lead", and convert his potential into success so as to fulfil his dream. I am indeed very happy to introduce the SRM Group of Institutions to you, whose insignia inscribes "learn, leap and lead".

With New Education Policy-2020 in place, SRMUH is committed to provide outcome based learning and pedagogy, extensive use of ICT to the learners, holistic approach of interdisciplinary curriculum, research oriented Programme(s) with mandatory internships, hands on project based academic activities, continuous formative assessments leading to develop good human beings capable of rational thoughts and action, compassion and empathy, courage, scientific temper, creativity and imagination with ethical values.
