1	MOOT COURT	2014	 <p>GPS Map Camera</p> <p>Patla, Haryana, India W49H+GRQ, Rajiv Gandhi Education City, Patla, Haryana 131023, India Lat 28.91881° Long 77.129951° 21/02/23 09:47 AM GMT +05:30</p> <p>BRIEF DESCRIPTION: Moot Court has state of art infrastructure and it fulfills all the requirements to conduct moot court. Mooting is a replica of a real court where legal proceedings and trials take place. The purpose of the moot court activity is to give practical knowledge to the students by putting them in a hypothetical situation and understand the working of real courts. The students also get to learn about code of conduct, importance of dress code and the use of formal language. Participating in moot courts not only helps in improving research skills but students get a chance to build self-confidence, increase their networking and learn Court's processes to prepare them for a better future. The department organizes intra moot court competition every year, subject moot is compulsory for every student and the moot Court and Trial Advocacy are part of the curriculum also, approved by the Bar Council of India.</p>

5	INCUBATION CENTER (Business Lab)	2019	<p>BRIEF DESCRIPTION: SRM University Delhi NCR has developed Center for Innovation, Incubation and Entrepreneurship (CIIE) with an aims to provide a platform for nurturing, encouraging and developing innovation and entrepreneurial skills among the students, faculty and alumni. CIIE is developed with the intention to pin point the regional problems of nearby villages and cities, which will possibly open up a completely different and new field of business. CIIE provides platform for the early stage innovators to train their idea to turn into working model, then transfer it to business model by providing interface with the industry experts. CIIE also provides the knowledge on protecting the intellectual property rights and filing of the patents. SRM University Delhi NCR has spent approximately ten lakh INR in the last three years towards the innovation and incubation activities in the campus. Incubation center was established in Aug 2019 with a dedicated infrastructure for discussion, idea exchanges, meetings, and training lab in the approximate area of 800 sq. ft. Sequence of motivational talks and training programmes were conducted to inculcate the habit of innovation and to enriching the importance of entrepreneur as a career opportunity among the students and faculties. MHRD institute innovation cell (IIC) was established in the academic year 2018-19 with registration ID 201912379 and participated in the MHRD initiate events such as innovation ambassador programme, IIC national innovation contest 2020, Toycathon 2021 and Smart India Hackathon 2022. Students were trained in the micro- controllers usage such as Arudino, Node MCU and Rasberry pi which will be helpful to them in developing working prototypes of innovative ideas.</p>  <div data-bbox="1010 1921 1136 2074">  </div> <div data-bbox="1153 1928 1485 2067"> <p>Patla, Haryana, India W49J+F5H, Rajiv Gandhi Education City, Patla, Haryana 131023, India Lat 28.918318° Long 77.13087° 29/09/22 06:40 PM GMT +05:30</p> </div>
