#### **Important Information-please read**

**Enrolment onto your course is subject to you obtaining the right to study in the UK on a course at the University.**

#### **Confirmation of Acceptance for Studies ("CAS")**

On confirmation of evidence that you have met all the entry conditions set out above, save for obtaining a visa, including receipt of your 1<sup>st</sup> Tuition payment (or an acceptable financial guarantee letter) by our finance department, we will e-mail you your unique CAS number. This will be a PDF copy of the CAS statement generated from the UKVI's SMS portal. You will need your CAS to apply for your student visa. Where applicable, we may be able to issue you an Unconditional Offer Letter as evidence that you have fulfilled all admissions entry requirements

#### **Accepting Our Offer**

If you wish to accept this offer and firmly reserve a place you must reply by email quoting your name and reference number (as above) and confirming the course you are accepting. Alternatively, on meeting your offer conditions and by paying the Deposit, on receipt of the Deposit by the University you formally accept your offer of a place with the University.

This offer has been made on the basis that you are an International Student. If this is not correct, this offer may be withdrawn at any time.

If you consider that you are a Home fee paying please contact [ukadmissions@coventry.ac.uk](mailto:ukadmissions@coventry.ac.uk) who will review this offer.

By accepting your offer of a place, a Student Contract will be formed between you and the University. A copy of the 23/24 Student Contract will be sent in due course, which you will be signing up to when you enrol. A copy of the 22/23 Student Contract can be found on our website. This Offer Letter, the 23/24 Student Contract (and the documents referenced within it), detail the rights and the obligations you will be bound by during your time as a student and contain the obligations that the University will owe to you. You should read the Student Contract before you accept an offer of a place and before you enrol at the University.

Your Student Contract with the University begins as soon as you accept your offer. If you want to cancel your place, you have the right to do so within 14 days of accepting the offer. Within that 14 day cooling off period, you do not have to give a reason for cancelling. However, you must tell us that you want to cancel your place in a clear, written statement. If you need help making your statement clear, you can fill out the cancellation form attached to the enclosed 23/24 Student Contract and email it to [applications.io@coventry.ac.uk](mailto:applications.io@coventry.ac.uk).

### **Enrolment Details**

Further information will be sent to you by email advising you on how to enrol, most importantly:

- Ensure you do bring originals of the academic documents used by the Admissions team to issue your CAS to you [these would be stated on your CAS in the evidence to obtain offer section.] for verification by the University's Compliance team
- Ensure your personal details including your full names and date of birth on your original academic documents **do match** the same details on your passport. If there are any discrepancies between these documents and your passport you need to provide a supporting letter from your previous institution confirming you are indeed the same person who studied with them and was awarded the qualification. Please note the University **does not accept** affidavits and these would not be accepted for enrolment.
- You must have paid a minimum of £8000 to enrol.

Further information can be found at <https://www.coventry.ac.uk/study-at-coventry/get-ready/>

### **Document Verification – Academics and Evidence of English Proficiency**

At enrolment, we will need to verify your academic and English qualifications stated on your CAS or Unconditional Offer letter. You **MUST** bring these original documents with you to enrol onto your course. Photocopies or electronic copies will **NOT** be accepted and you will not be able to enrol. Likewise, you may not be allowed to attend classes if originals of these are not provided.

### **Tuition Fees**

The University will charge tuition fees in accordance with the 'Tuition Fee Terms and Conditions and Refund Policy. **Please ensure that you read the 'tuition fee terms and conditions'**':

<https://www.coventry.ac.uk/the-university/key-information/registry/withdrawal-refunds/>

International Students (Non-EU) are required to pay a tuition fee deposit at each Academic Stage/Year to secure a place. Before you can fully enrol onto your course, or each Academic Stage/Year, **£8000.00 of your full tuition fees for the relevant Academic Stage/Year must be received by the University**. Please ensure you allow sufficient time (approx. 7- 10 working days) for your payment to be processed by your bank, received by the University and credited in to your student account. You may not be able to attend classes and have full access to University facilities, if you do not fulfil all the requirements for enrolment.

If you have to extend your studies beyond the normal duration of the course (e.g. to repeat a year or resit examinations) the University reserves the right to charge you fees at a higher rate during the additional period of study.

This offer is produced on our understanding that you are an overseas fee payer. If for any reason you believe you are a Home student, you need to complete a fee assessment form and provide all supporting documents for us to assess and confirm your fee status. We will need this completed at least 8 weeks to the start of your course. No applications for fee assessment will be accepted if we will not have enough time to process your request and make an informed decision to confirm your fee status before you are enrolled on the course. If you commence your studies as an overseas fee payer, without a fee assessment, you will remain an overseas fee payer for the duration of your course, unless there is a significant change in your immigration status and at the University's discretion.

Please note you may be asked to provide evidence of your financial documents before your CAS is released to you. Your financial documents must meet the requirements for a student visa application. You can find more information here: <https://www.gov.uk/student-visa>

### **EU Students**

If you have the right to live in the UK, including under the UK Government's EU Settlement Scheme or because you are from the Republic of Ireland, you may be exempt from paying international fees and we encourage you to contact us via [ukadmissions@coventry.ac.uk](mailto:ukadmissions@coventry.ac.uk) to discuss this further. Please note you will be required to provide documentation to prove your fee status eligibility.

### **Relevant Unspent Criminal Convictions**

The University asks all individuals seeking sponsorship by the University to declare any relevant unspent criminal convictions in accordance with its 'Disclosure of Criminal Convictions Policy and Procedure'. If you accept this offer, you will receive an email with a declaration form which you must return to the University for consideration before your CAS will be issued to you.

You can see the 'Disclosure of Criminal Convictions Policy and Procedure' [here](#)

### **How to Pay (you will need to quote your Student ID number and full names when making payment):**

- Online (for the Coventry Campus): [here](#)
- Other methods- see information [here](#)

\*\*\* In some instances, we may need to track your payment in order to process your application further, please retain your proof of payment to facilitate tracking of that payment where necessary (Eg. MT103 form).

Please note that students or 3<sup>rd</sup> parties may no longer be able to pay in Cash deposits at the branch counters at some UK banks. So we strongly advise you make your tuition payment(s) using one of the options highlighted above.

### **Tuition Awards and Scholarships**

If you have been awarded a tuition award or scholarship, you will only be able to apply them onto your final tuition payment (not towards your second instalment). If paying your full fees upfront, at once before enrolment, we recommend that you deduct the value of the tuition award or scholarship before making your full payment. Refunds could take numerous weeks to process.

### **Academic Progression**

If you have ever studied in the UK prior to joining the University, you must provide details of any study undertaken, including results and copies of visas held. You should also inform us of any courses you have failed or failed to complete for any reason. Failure to disclose this may result in visa refusal or withdrawal of our sponsorship of your study in the UK.

### **Sponsored Students**

If you are being sponsored by a UKVI approved organisation (such as your Government or your employer), please ensure you provide us with a formal and acceptable letter of Sponsorship confirming the terms of the sponsorship, in accordance to the tuition and maintenance fees stated above.

Please note that the University does not accept MOHE sponsored student onto Undergraduate courses that are less than 3 years in length.

### **Completing the under- 18 Parental Consent and Guardianship Form (if required)**

If you are under the age of 18 at the time you accept this offer, you need your parent or guardian's consent and you must fill in the form providing us with contact details of a UK-based parent/guardian, who will be accessible to the University should the need arise.

**We will not issue your CAS letter if this form is not completed fully and returned to us.**

### **Alternative Offers**

Please note that admissions onto our courses are subject to you fulfilling our minimum entry requirements. If we assess your application and qualification(s) (with you providing a portfolio, undergoing a faculty interview where required) for a particular course, we may have offered you an alternative course that is more suitable to you based

on your qualifications and skill set. Please note, alternative courses offered may take place at one of our other campuses. Please read the offer details above very carefully.

MDes or MEng Programmes are over four years with the possibility of doing an Industry Enhancement year. This is reflected within the exit titles associated with the four-year courses, either Sandwich BA/BEng (Hons) qualification or an integrated Masters course with an MDes/MEng qualification. The Integrated Masters route is designed for high achieving students to continue their studies and to develop advanced technical skills; as such, achievement attained during level 2 is used to determine suitability for progression. Additionally, a three year BA (Hons) degree is available for those wishing to omit the Industry Enhancement year. We would only issue an offer and CAS for a standard 3 year or 4 year BA/BSc Degree and not for an integrated masters.

If you opt to extend the length of your course after your visa has been granted and this extension does not involve an Industrial placement, you will be required to return to your home country in order to extend your student visa. You will be responsible for covering all additional costs associated with this including visa applications and return travel.

#### **Applying for an ATAS Certificate (if required)**

If any of your subjects are listed in the attached ATAS list, you **must** apply and obtain an ATAS certificate (issued by the Academic Technology Approval Scheme), before you apply for or extend your Visa, Entry Clearance, or Extension of Stay. **If your course is not listed, it MAY STILL require ATAS, so please ensure you check the Home Office website for updates.** Please visit <https://www.gov.uk/guidance/academic-technology-approval-scheme> to apply online for your ATAS certificate **if required** and obtain more information on the scheme.

**If an ATAS certificate is required, you will not be granted access to your learning materials or be permitted to enrol onto your course until you provide a relevant ATAS certificate to the University.**

#### **Data protection**

The University has a comprehensive Data Protection Policy which can be found on our website.

You can find out more about how the University handles student data and your rights in relation to data protection in our Fair Processing Notice for students a copy of which can be found on our website at

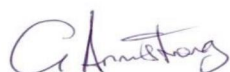

<https://www.coventry.ac.uk/the-university/gdpr-and-data-protection/fair-processing-notice-and-ico-registration-numbers/>

It is important that you read this Fair Processing Notice as it will tell you what personal information we collect from you, why, what we do with it and who we may share it with.

#### **Personal Details**

Please notify us if you change your address, email or telephone contact details so that we will keep in touch with you until enrolment. Good luck with your preparations and we hope you will be able to join us at the University soon. If you have any further queries please do not hesitate to contact us.

Yours Sincerely

## MERKBLATT für ausländische Studierende aus Nicht-EU-Ländern

### 1. Visum

Für die Einreise in das Bundesgebiet benötigen ausländische Studierende ein Visum, welches vor der Einreise bei den deutschen Auslandsvertretungen (Botschaften oder Konsulate) zu beantragen ist. **Ein Touristenvisum genügt nicht!**

**Kein Visum** benötigen ausländische Studierende aus den EU-Ländern, aus Vertragsstaaten des Abkommens über den europäischen Wirtschaftsraum (Norwegen, Island, Liechtenstein, Schweiz) und aus den USA, Australien, Neuseeland, Israel, Japan, Kanada, Brasilien und aus der Republik Korea.

<https://www.auswaertiges-amt.de/de/service/visa-und-aufenthalt/staatenliste-zur-visumpflicht/207820>

### 2. Aufenthaltstitel

Ausländische Studierende benötigen für den Aufenthalt in Deutschland einen Aufenthaltstitel, den das Ausländeramt der Stadt Passau, Rathausplatz 1, 94032 Passau erteilt.

Der entsprechende Aufenthaltstitel ist die Aufenthaltserlaubnis. Die Erteilung ist gebührenpflichtig und kostet 100,00 Euro (Stand März 24). Wenn das Visum für die gesamte Aufenthaltsdauer erteilt wurde, ist nur eine Anmeldung des Wohnsitzes nötig. Eine Aufenthaltserlaubnis kann frühestens 3 Monate vor Ablauf des Visums beantragt werden.

### Voraussetzungen für die Erteilung einer Aufenthaltserlaubnis:

- **vollständig ausgefülltes Antragsformular mit biometrischem Passfoto**

(Formulare sind erhältlich auf der Website des Ausländeramts oder während der Orientierungswochen für ausländische Studierende an der Uni Passau. Dort erhalten Sie auch Hilfe beim ersten Ausfüllen.)

- **gültiger Reisepass**
- **Immatrikulationsbescheinigung der Uni Passau**

Sie muss folgende Leistungen umfassen: Ärztliche und zahnärztliche Behandlung, Versorgung mit Arznei-, Verband-, Heil- und Hilfsmitteln, Krankenhausbehandlung, medizinische Leistungen zur Rehabilitation sowie Leistungen bei Schwangerschaft und Geburt. Es darf kein betragsmäßiges Deckungslimit geben, egal wie hoch dieses wäre.**

Wichtig: Ausländische Krankenversicherungen (z.B. Reise-Krankenversicherungen) genügen nicht, weil ihr Leistungsumfang in der Leistungsart und -höhe sowie zeitlich begrenzt ist.

- **Nachweis über finanzielle Sicherung des Studienaufenthalts**

Sie müssen nachweisen, dass Ihr Aufenthalt in Deutschland finanziell gesichert ist. Ausreichende Mittel stehen dann zur Verfügung, wenn sie dem BAföG-Höchstförderungssatz entsprechen (**derzeit 934,00 Euro**, Stand März 24). Falls Sie ein Stipendium erhalten, das monatlich mindestens diese Höhe hat, genügt ein entsprechender Nachweis.

Andernfalls sind folgende Finanzierungsnachweise möglich:

- Studierende eröffnen ein Sparkonto bei einer deutschen Bank, auf dem eine Summe

entsprechend der beabsichtigten Studienmonate eingezahlt wird. Das Sparkonto muss einen entsprechenden **Sperrvermerk** enthalten, dass nur 934,00 Euro monatlich davon abgehoben werden dürfen.

- Studentenjob oder Praktikum nachgewiesen per **Arbeitsvertrag mit Lohnabrechnungen** (siehe auch Nr. 3)
- **Geteilte Finanzierung** durch Arbeitsvertrag und zusätzlichem Sparkonto z. B. je die Hälfte
- eine **Verpflichtungserklärung**, ausgestellt durch die Ausländerbehörde, von Firmen, Organisationen oder Privatpersonen, welche in Deutschland ansässig sind, dass alle anfallenden Kosten für den Zeitraum des Studiums übernommen werden.

### 3. Erwerbstätigkeit neben dem Studium

Mit der Aufenthaltserlaubnis ist kraft Gesetzes die Möglichkeit eröffnet, eine **Beschäftigung von 140 Arbeitstagen** (oder 280 halben Arbeitstagen) pro Kalenderjahr auszuüben. Eine Arbeitserlaubnis durch die Agentur für Arbeit ist für diese Tätigkeit nicht erforderlich. Daneben dürfen ausländische Studierende (ohne zeitliche Beschränkung) studentische Nebentätigkeiten an der Hochschule ausüben.

### 4. Erforderliche Deutschkenntnisse

Zum Nachweis der für das Hochschulstudium nötigen Kenntnisse können Studienbewerber anerkannte **Sprachprüfungen** im Ausland oder vor Beginn des Fachstudiums im Inland ablegen. Sprachnachweise, die auch von der Universität für die Zulassungsentscheidung berücksichtigt werden, sind: <https://www.uni-passau.de/deutschkenntnisse>. Darüber ist für die Visumsantragsstellung ein geeigneter Nachweis über die erforderlichen Sprachkenntnisse zu erbringen.

### 5. Durchschnittliche Studiendauer

Ein ordnungsgemäßes Studium liegt regelmäßig vor, solange der Ausländer die **durchschnittliche Studiendauer in dem jeweiligen Studienfach nicht um mehr als drei Semester überschreitet**.

Die Gesamtaufenthaltsdauer für ein Studium beträgt maximal 10 Jahre (einschließlich Studienvorbereitung).

### 6. Wechsel des Aufenthaltswerts/Studienfachwechsel

Der Inhalt des Aufenthaltswerts wird durch die Fachrichtung gekennzeichnet. Eine Änderung der Fachrichtung bedeutet eine Änderung des Aufenthaltswerts.

**Der Fachrichtungswechsel bedarf ausländerrechtlich immer einer entsprechenden vorherigen Änderung der Aufenthaltserlaubnis bzw. der darin enthaltenen Nebenbestimmung, der entsprechende Antrag ist bei der Ausländerbehörde zu stellen.**

Der Ausländer hat den Nachweis zu führen, dass bisherige Studienzeiten angerechnet werden. Ein wiederholter Fachrichtungswechsel ist im Hinblick auf eine angemessene Dauer des Studiums grundsätzlich unvereinbar mit den gesetzlichen Bestimmungen.

**1. Meaning of Ragging**

In common parlance, ragging means playing practical jokes on somebody or teaching someone a lesson.

The Supreme Court of India perhaps has given a more comprehensive meaning of ragging as under: Ragging is any disorderly conduct, whether by words spoken or written, or by an act which has the effect of teasing, treating or handling with rudeness any student, indulging in rowdy or undisciplined activities which cause or are likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the psyche of a fresher or a junior student.

I have read the above basic definition of the Supreme Court of India and understood the meaning of the same. By signing here, I agree not to participate in any ragging activities during my stay here at IIT Hyderabad.

## **2. Brief Overview of Observations of the Supreme Court of India**

**(Case: *The University of Kerala vs The Council of Principals of College in Kerala & Others*)**

1. Ragging in educational institutions has been a matter of concern for this Court since long. Noticing that, notwithstanding a judgment of this Court in *Vishwa Jagriti Mission through President vs Central Government through Cabinet Secretary & others* (AIR 2001SC 2793), few remedial practical measures have been taken to prevent the menace of ragging in educational institutions.
2. Ragging is rationalized and justified as a way of *Introduction* or *Getting Familiar* with the freshers at the starting of an academic session of any educational institution.
3. In a very positive aspect, "Ragging" could not be considered as an abridgement between the seniors and the freshers, whereas "Introduction" could be considered as genesis of relationship between the two.
4. When any student is admitted in a particular institution, he/she has to face certain problems and one of them which affect the most is staying away from home and especially away from the dear ones. Because of these problems, the freshers expect someone to look after them, with whom they can have homely environment as they were enjoying at their respective homes. But nowadays the seniors have crossed the barriers, by which they have changed the meaning of "Introduction" into "Ragging".
5. "Seniors" under the garb of "Introduction" have started ragging the freshers and due to which, in recent years, it has become the talk of the day that the freshers who have faced severe ragging are leaving the educational institutions and some have attempted to commit suicide and even some have committed it.
6. In modern era, "Ragging" has become \*to be known only as synonym of "teasing", "terror", "harassment", "cruelty", "fear" and "physical and mental torture".
7. By perusal of records and survey, it has come to be accepted that "Ragging" is a systematized form of Human Rights' abuse as embodied under the Constitution of India as well as other Constitutions of the World.
8. Over the years in all over the world and especially in South Asia, the practice of "Ragging" has come to be meant as an extreme "harassment", "terror" and even "physical and mental torture" of fresher's.

---

I have read the above brief observations of the Supreme Court of India and understood the meaning of the same.

***Signature of Parent / Guardian with date***

***Signature of Student with date***

9. Ragging is a set of undisciplined activities undertaken by the seniors to break the ice with the juniors, who have been suddenly thrown into a totally new environment. The contention of seniors behind all such activities is simply to bring the freshers down to earth, because in their opinion the freshers do not respect the seniors and by doing all such inhuman activities under the garb of "Introduction", the seniors rag the freshers so that the freshers may respect them and be under their control. But this act cannot *be* reasonable and just. The act by the seniors is a "fist of steel against ice" and likewise by doing so, they shatter the ambition, aim and object of freshers and they become aloof in this practical world.

10. To prohibit "Ragging", this Court has given a series of guidelines to the educational institutions whether being Central, State or private institute.

Anti-ragging movement should be initiated by the institutions right from the time of advertisement for admissions. The prospectus, the form for admission and/or any other literature issued to aspirants for admission must clearly mention that ragging is banned in the institution and any one indulging in ragging is likely to be punished appropriately which punishment may include expulsion from the institution, suspension from the institution or class for a limited period or fine with a public apology. The punishment may also take the shape of:

- (i) Withholding scholarships or other benefits
- (ii) Debarring from representation in events
- (iii) Withholding results and
- (iv) Suspension or expulsion from hostel or mess, and the like.

If there be any legislation governing ragging or any provisions in the Statutes and Ordinances, they should be brought to the notice of the students/parents seeking admissions.

The application form for admission/enrolment shall have a printed undertaking to be filled up and signed by the candidate to the effect that he/she is aware of the institution's approach towards ragging and the punishments to which he or she shall be liable if found guilty of ragging. A similar undertaking shall be obtained from the parent/guardian of the applicant.

Such of the institutions as are introducing such a system for the first time shall ensure undertakings being obtained from the students and their parents/guardians already studying in the institutions before the commencement of the next educational year/session.

I have read the above observations of the Supreme Court of India and understood the meaning of the same.

### **Orientation**

Your orientation may not commence on a Monday. Please check the Orientation website for further information: [www.unisa.edu.au/orientation](http://www.unisa.edu.au/orientation)

### **Tuition Fees**

The Estimated Annual Tuition Fee is based on a standard full time enrolment (36 units per year). The tuition fee is accurate at the time of offer and is subject to change.

Once you have started your program, your tuition fees will increase each calendar year. However, your fees will not be more than the fees for commencing (new) students. Your tuition fees will be based on your enrolment and the fees set for that year.

International students contribute to student services and amenities as a component of their tuition fees to support services of a non-academic nature. For more information please visit: <https://i.unisa.edu.au/campus-central/Fees-and-Finance/Student-services-and-amenities-fee/Payment/>

The University reserves the right to adjust the tuition fees for the program and you may be invoiced for the difference. The tuition fees may change between the date of this Offer of Admission and the time of commencement, or if you decide to defer your enrolment. You must pay the University the changed tuition fees before enrolment. In the event of a variation between the fees on this Offer of Admission and the approved University schedule of tuition fees found at <https://study.unisa.edu.au/> the approved University schedule will prevail.

You may incur incidental fees in addition to your tuition fees during your studies. These non-tuition fees may include but are not limited to textbooks, special equipment, uniforms, clearances, immunisations, transport accommodation and food for placements or field trips, and fines. A list of the estimated non-tuition fees you may incur during your program can be found at <https://international.unisa.edu.au/non-tuition-fees/>.

### **Overseas Student Health Cover (OSHC)**

It is a condition of your student visa that you maintain Overseas Student Health Cover (OSHC) for the duration of your visa. For more information and exceptions to this, please refer to the 'Have adequate health insurance' condition on the Department of Home Affairs' website <https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500#Eligibility>.

It is not mandatory for you to arrange OSHC through the University of South Australia, you can choose to arrange your own policy.

If you choose to arrange your OSHC through the University, a Bupa Success policy will be created for you, giving you access to a multitude of health and wellbeing services. UniSA's preferred Overseas Health Cover (OSHC) provider is Bupa and Bupa Success OSHC is recommended as your health cover whilst you study in Australia. Bupa's Success OSHC provides superior levels of cover above the standard OSHC options, to ensure your health and wellbeing are taken care of. In addition, Bupa provides extra benefits to UniSA with on-campus support and an extensive range of health and wellbeing programs.

The OSHC type on your offer letter (Singles, Couples, Families) has been created based on information provided in your application form. You can select a different cover type at the time of Offer Acceptance. Please note, if you change your OSHC type from Single to Couples or Family, this puts you into a higher GTE risk category, which could result in GTE reassessment.

The OSHC fee quoted in this Offer of Admission is accurate at the date of issue but is subject to change. The University reserves the right to adjust the OSHC fees in accordance with Bupa's policies and you may be invoiced if there is a difference.

If your OSHC has been arranged by the University, your policy will commence from the start date of your offer. If you arrive onshore after this date, please inform Bupa of your arrival and your cover will be adjusted to commence from this date. If you have an excess of cover at the end of your stay, you will be able to claim a refund from Bupa.

### **English Language Proficiency**

Language requirements for UniSA program entry and those of external bodies/entities may differ. Additional English language evidence may be needed to satisfy requirements of external bodies, including the Department of Home Affairs. Students must make themselves familiar with these additional requirements.

### **Work Based Training**

This program may have work-based training included as part of the program requirements. Please refer to your program's webpage for more information <http://study.unisa.edu.au/>.

Please be aware that if you choose to undertake non-mandatory work-based training within your program, the hours will count toward your student visa work limit of 48 hours a fortnight.

We look forward to receiving your response to this Offer and welcoming you to the University of South Australia.

Yours sincerely,

Gabrielle Rolan

**Vorbehaltlicher Zulassungsbescheid für das erste Semester im Wintersemester 2024/25**

Sehr geehrter Herr Mittal,

hiermit werden Sie im Masterstudiengang **Artificial Intelligence for Industrial Applications** an der **Ostbayerischen Technischen Hochschule Amberg-Weiden, Abteilung Amberg** vorbehaltlich zugelassen. Sie erfüllen die Voraussetzungen für den oben genannten Studiengang. Der geforderte Sprachnachweis für Deutsch auf dem Sprachniveau A2 muss bis spätestens Ende des zweiten Semesters nachgereicht werden.

Da Ihr Vorstudium weniger als die geforderten 210 CP hatte, sind die fehlenden Punkte während des Studiums vollständig zu erbringen.

**Der Studienplatz wird wie folgt angenommen:**

Die Annahme des Studienplatzes muss bis spätestens **31.08.2024** über den „Bewerberstatus“ unter folgendem Link **online** erfolgen: OTH-Startseite, rechts im Startbild „Zur Studienplatz Bewerbung“ oder direkt über

[www.primuss.de/status-fhaw](http://www.primuss.de/status-fhaw)

**Zusätzlich müssen Sie sich bis spätestens 31.08.2024 durch folgende 3 Schritte vorläufig immatrikulieren (endgültige Immatrikulation erfolgt ca. 2 Wochen vor Studienbeginn durch die Hochschule):**

1. Bitte führen Sie den Zahlungsvorgang im Bewerbungsfortschritt über den Button „Zur Zahlung (ePayment)“ aus, um den **Studentenwerksbeitrag** in Höhe von **72 Euro** zu begleichen (Im Bewerbungsfortschritt ganz nach unten scrollen).

**Hinweis:** Es kann bis zu einer Woche dauern, bis die Zahlung eingegangen ist.

2. Bitte beachten Sie, dass die Meldungen Ihrer Krankenkassen nur noch digital (Datensatz) an die Ostbayerische Technische Hochschule Amberg-Weiden erfolgt. **Krankenkassenbescheinigungen in Papierform sind nicht mehr erforderlich.**
  - Gesetzlich Versicherte: Bitte bei Krankenkasse angeben, dass Sie sich an der OTH Amberg-Weiden immatrikulieren.
  - Privat Versicherte: Bitte bei beliebiger gesetzlicher Krankenkasse anfragen, dass die Information "Versicherungsfrei" an uns übersandt wird.

- Versicherungspflicht befreit: Bitte die Krankenkasse um Bestätigung bitten.

3. Bitte loggen Sie sich erneut in Ihre Online-Bewerbung ein:

[www.primuss.de/status-fhaw](http://www.primuss.de/status-fhaw)

Hier müssen Sie im **Bewerbungsfortschritt** folgenden Schritt ausführen:

- Upload eines Passbildes für Ihren Studentenausweis im Format JPG

4. Vergewissern Sie sich, dass alle erforderlichen Dokumente hochgeladen wurden und diese nicht durch uns „zurückgewiesen“ wurden (Fristen!).

Die Hochschule behält sich vor, stichprobenartig die persönliche Vorlage von Ausweisdokumenten oder Bewerbungsunterlagen zu fordern.

Dies gilt auch für **interne Wechsler** an der OTH Amberg-Weiden.

Es müssen alle Schritte (1-3) fristgerecht durchgeführt werden, da ansonsten keine Immatrikulation vorgenommen werden kann! Sollte die Immatrikulation nicht fristgerecht und vollständig durchgeführt worden sein, kann keine Einschreibung durch die Hochschule erfolgen.

Sobald die Hochschule den Geldeingang des Studentenwerksbeitrages festgestellt hat und alle anderen Voraussetzungen zur Immatrikulation auch gegeben sind, werden Sie ca. 2 Wochen vor Studienbeginn an der OTH Amberg-Weiden immatrikuliert. Ab diesem Zeitpunkt erhalten Sie über das Bewerberportal eine Zugangskennung zum Studierendenportal und können dort Ihre Semesterbescheinigungen herunterladen.

Im gleichen Zeitraum erstellen wir Ihren Studentenausweis, den wir Ihnen vor Studienbeginn an die in der Bewerbung angegebene Adresse zusenden. Bitte stellen Sie deshalb sicher, dass eine **aktuelle Adresse** hinterlegt ist. Sollten Sie keine Adresse in Deutschland angegeben haben, behalten wir Ihren Studierendenausweis und Sie können ihn bei Ihrer Ankunft in Amberg abholen und validieren. Sie sind damit ab dem 01.10.2024 Studierender der OTH Amberg-Weiden. Bitte kümmern Sie sich rechtzeitig um eine Unterkunft. Wir können Ihnen keinen sicheren Platz im Studentenwohnheim garantieren. Sie müssen sich beim Studentenwerk Oberfranken bewerben oder anderweitig eine Unterkunft finden.

Für einen erfolgreichen **Studienbeginn** lesen Sie bitte auch die Hinweise für Erstsemester unter dem folgenden Link:

<https://www.oth-aw.de/en/international/paths-to-oth-amberg-weiden/international-full-time-students/>.

Für weitere Fragen und Informationen zu Ihrem Studiengang besuchen Sie bitte die Website: <https://www.oth-aw.de/en/studies/study-offers/study-programmes/>. Dort finden Sie auch die entsprechenden Ansprechpartner für Fragen.

Nach den gesetzlichen Vorschriften wird noch darauf hingewiesen, dass der Zulassungsbescheid zurückgenommen werden muss, wenn er auf falschen Angaben beruht; ist er sonst fehlerhaft, kann er nach pflichtgemäßem Ermessen zurückgenommen werden. Bitte heben Sie diesen Bescheid unbedingt sorgfältig auf, falls Sie ihn in den nächsten Jahren zur Vorlage bei Behörden benötigen. Zweitschriften können grundsätzlich nicht ausgestellt werden.

You fulfil the requirements for admission to the abovenamed degree programme in Germany. Proof of A2 level knowledge of German has to be submitted by the end of the second semester at the latest.

Since your previous studies had less than the required 210 CP, the missing points must be completed during your studies.

**To accept your study place, please proceed as follows:**

You must confirm your acceptance of the study place online by **31.08.2024** at the latest by selecting "applicant status" on the application portal. To get to the portal, please follow this link [www.primuss.de/status-fhaw](http://www.primuss.de/status-fhaw) or click on the button "Zur Studienplatz-Bewerbung" (German) or "Apply here" (English) on our homepage. In your "Bewerbungsfortschritt" (German) or "Status of my application" (English) you can accept your university place.

**In addition, you must provisionally enrol by 31.08.2024 via the following steps (final enrolment will be carried out by the university approximately 2 weeks before your studies start):**

1. Please make payment through the online application portal. Click on "Status of my application" and then scroll down to the button "To Payment (ePayment)" in order to pay the student union fee amounting to 72 Euros.

**Note:** It may take up to one week for the money transfer to be received.

2. Please note that confirmation of your enrolment with a health insurance company will only be transmitted digitally (as a data record) to the Ostbayerische Technische Hochschule Amberg-Weiden. **Paper documents are no longer required.**
  - If you have statutory insurance: please inform your health insurance company that you are going to enrol at OTH Amberg-Weiden. The insurance company will send us confirmation.
  - If you have private insurance: please contact any statutory health insurance company in Germany and ask them to send us confirmation that you are privately insured.

- If you are exempt from statutory insurance: please contact any statutory health insurance company and ask them to send us a confirmation that you are exempt from statutory health insurance.

3. Please log in to your PRIMUSS application portal at [www.primuss.de/status-fhaw](http://www.primuss.de/status-fhaw)

Select "Bewerbungsfortschritt" (German) or "application progress" (English) and perform the following steps:

- Upload a photograph in JPG format for your student ID card

4. Make sure that you have uploaded all the requested documents before the given deadlines and that they have not been rejected. The university reserves the right to request the presentation of original identification documents on a random basis. This also applies to students who change their degree program within the university.

Steps 1-3 have to be completed within the period prescribed. If the steps are not performed correctly and by the given deadlines, enrolment at the university cannot take place.

Having completed these steps, you are then a registered student at the OTH Amberg-Weiden as of 01.10.2024.

Once your payment has been transferred to our account and once the requirements for enrolment have been met, you will be enrolled at our institution by the Student's/Study Office (German: Studienbüro). Upon your enrolment, you will receive your login data for important services and tools such as the PRIMUSS student portal, the Moodle e-learning platform, your student webmail account, the OTH-AW app, etc. You can find the login data on the PRIMUSS application portal in the area "Benutzerdaten" (German) or "Account information" (English). There you will also find a direct link to the PRIMUSS student portal, where you can download forms such as your certificate of enrolment. All important tools and services will be explained to you on your welcome day and can also be found online on our homepage in the "MyOTH" area on the black bar at the top of our homepage.

After your enrolment we will issue your student ID card, which will be sent to you by post prior to the start of your studies. Please make sure that you have provided your correct address in Germany. If you only provided an address in your home country, we will keep your student ID card and you can pick it up as soon as you come to Germany. Please make sure that you look for accommodation in advance! We cannot guarantee you a definite place in our student dorm! You can apply for a room here: <https://www.studentenwerk-oberfranken.de/wohnen/wohnheime/weiden.html>.

If there are no free rooms, please have a look at privately owned apartments. For this reason, we strongly recommend that you have A2 level knowledge of German before arrival.

Our International Office can also help you with further questions regarding life in Germany: <https://www.oth-aw.de/informieren-und-entdecken/einrichtungen/international-office/kontakt/>

To ensure a smooth start to your first semester, we recommend that you read the instructions for first-semester students at the following link: <https://www.oth-aw.de/en/international/paths-to-oth-amberg-weiden/international-full-time-students/>

Please also make yourself familiar with our homepage and of course your personal MyOTH area, as mentioned above.

If you have any further questions about your study programme, please check the information and FAQs on our website: <https://www.oth-aw.de/en/studies/study-offers/study-programmes/>. There you will also find the right person to contact with your questions.

**According to the legal provisions, we have to inform you that the notification of admission must be revoked if the admission was based on false claims; if the information provided for admission is found to be otherwise inaccurate, admission may be revoked at the University's discretion. Please keep the notification of admission (Zulassungsbescheid) in a safe place in case you need it for submission to the authorities. Duplicate copies will not be issued.**

A candidate is considered **qualified** if the marks secured are greater than or equal to the qualifying marks mentioned for the category, for which a valid category certificate, if applicable, must be produced along with this Score Card.

This Score Card is valid  
up to 31<sup>st</sup> March 2027.

## GATE SCORE COMPUTATION

The GATE 2024 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where

M is the marks obtained by the candidate in the paper mentioned on the GATE 2024 Score Card

$M_q$  is the qualifying marks for general category candidates in the paper

$M_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of all the candidates who appeared for the test paper

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 900$ , is the score assigned to  $M_t$

$M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here,  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared for the test paper.

Qualifying in GATE 2024 does not guarantee admission to a postgraduate program or scholarship/financial assistance. Admitting institutes may conduct additional tests or interviews for final selection of candidates.

Graduate Aptitude Test in Engineering (GATE) 2024 was organised by Indian Institute of Science, Bengaluru, on behalf of National Coordination Board (NCB) - GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

The GATE 2024 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

## SCORE CARD

### COMPUTATION OF NORMALISED MARKS

Computer Science and Information Technology (CS) and Civil Engineering (CE) were conducted in two sessions in GATE 2024. For such multisession papers, a suitable normalisation is applied to take into account any variation in the difficulty levels of the question papers across sessions. The normalisation is done based on the assumption that, in multisession GATE papers, the distribution of the abilities of the candidates is nearly the same across sessions. This assumption is reasonable because the number of candidates appearing for the test papers is large, the number of candidates allotted to the sessions are comparable, and the procedure for allocation of candidates to the sessions is random.

The normalised marks of the  $j^{\text{th}}$  candidate in the  $i^{\text{th}}$  session, denoted by  $\hat{M}_{ij}$ , are computed as

$$\hat{M}_{ij} = \frac{\bar{M}_t^g - M_q^g}{\bar{M}_{ti} - M_{iq}} (M_{ij} - M_{iq}) + M_q^g$$

where

$M_{ij}$  is the actual marks obtained by the  $j^{\text{th}}$  candidate in the  $i^{\text{th}}$  session

$\bar{M}_t^g$  is the average marks of the top 0.1% of the candidates considering all sessions

$M_q^g$  is the sum of mean and standard deviation of marks of the candidates in the paper considering all sessions

$\bar{M}_{ti}$  is the average marks of the top 0.1% of the candidates in the  $i^{\text{th}}$  session and

$M_{iq}$  is the sum of the mean and standard deviation of marks in the  $i^{\text{th}}$  session.

Qualifying in GATE 2024 does not guarantee admission to a postgraduate program or scholarship/financial assistance. Admitting institutes may conduct additional tests or interviews for final selection of candidates.

## About Your GRE® Score Report

## Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see “Not Available” in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

## Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

## Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

## About Your GRE® Score Report

### Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

### Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

### Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.
