a. Provision for enquiry and information at the Reception:-

Visitors with disabilities will be assisted during their whole stay by a member of the institute's staff who will act as their personal guide and care to their needs. People seeking information on admissions and other issues will receive human assistance, including support to read and write any paperwork to their satisfaction, when visiting the office and other campus facilities.

b. Wheel Chair:-

To make moving around the campus simple and comfortable for people with special needs, a wheelchair facility with an attendant is available.

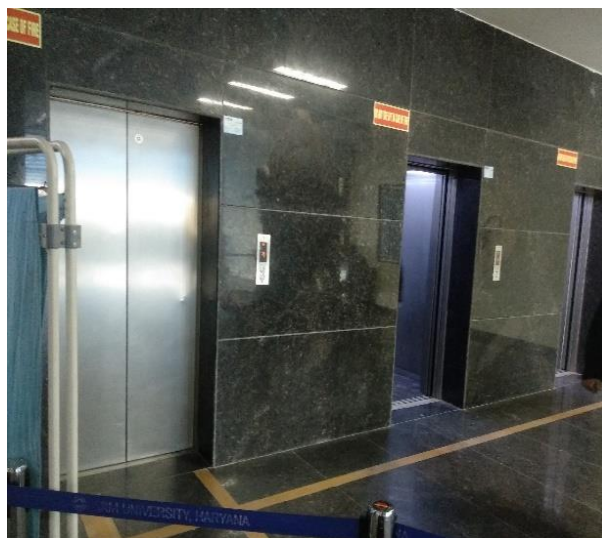

c. Ramp

For the safety of people with disabilities accessing the classrooms, labs, restrooms, library, play areas, hostel mess, etc., ramp facilities are provided at key sites across the campus.

d. Lifts

The academic facilities located in the upper levels of the Institute buildings can be accessed by people with disabilities first thanks to a lift facility with emergency alarm switches.

SRM University Delhi-NCR, Sonapat Barrier Free Environment

It is anticipated that the Institutes will work to increase knowledge of the higher education system and to offer the appropriate support and counseling to people with disabilities.

- **Facilitate admission of differently-abled persons in various courses;**
- **Provide guidance and counselling to differently abled individuals**
- **Create awareness about the needs of differently abled persons, and other general issues concerning their learning**
- **Assist differently-abled graduates to gain successful employment in the public as well as private sectors.**

SRM University has made the campus barrier free by establishing and making available the following facilities:-

1. The empathetic concern of the University for the differently-abled persons is very evident in the measures taken for helping them. The room adjoining to the Reception is set aside for accommodating them as it is nearest to the ramp.
2. User friendly wash basin is also fixed in the bathroom attached to this room and a cot is also provided. These facilities provided in close proximity to the ramp will reduce the strain and help them settle comfortably.
3. A separate notice board is provided for them to get informed of the information placed on the general notice boards. A wheel chair is also made available for them. Mobility aids like walking stick and crutches are also kept within reach.
4. The University has made a list of scribes readily available for those who cannot write the university examination on their own. These scribes are well trained to help the differently-abled to have a cheerful disposition in the examination hall.
5. Of all the facilities made available so far, the most important one is the willingness and the readiness on the part of the University authorities to shift a class from any floor to the ground floor for the benefit of those who cannot manage staircase.
6. The supporting staff is the Assistive Personnel who is assigned the duty of giving them care and attention with all the resources available on the campus. She has been given training in dealing with the differently-abled persons by the specialist person.
