Dear Ramendra Pati Pandey,

Global assessor agreement

This letter sets out what we can each reasonably expect from your role as Global Assessor with the Royal Society of Tropical Medicine and Hygiene (RSTMH). We appreciate you giving your time to us as a volunteer and are committed to making the experience as enjoyable and rewarding as we can.

1. GLOBAL ASSESSOR ROLE

Your role as Global Assessor starts on 21/12/20, and your duties will include supporting RSTMH with reviewing small grants applications and/or abstract submissions. We hope that you will be able to provide a few hours a week for reviewing periods, however, we are flexible about your busy and less busy periods and would try and assign applications or submissions accordingly. Ideally you would be in the role of a global assessor for 2 years, with a review after 1 year.

We expect you to perform your role to the best of your ability and to follow our procedures and standards, including health and safety and equal opportunities, and to comply with the Bribery Act 2010. You can expect us to deal with you in accordance with our equal opportunities policy.

2. INDUCTION AND TRAINING

We will provide an induction explaining what we do and how Global Assessors fit within the organisation. We will also provide training on your role more specifically, with guidelines and policies.

3. SUPERVISION AND SUPPORT

Your main point of contact during your volunteering with us is Tamar Ghosh. You will have regular catch ups with Tamar to agree work and discuss any problems or complaints you may have.

Please give Tamar as much notice as possible if you are unable to help us when expected.

4. EXPENSES

We will reimburse certain out-of-pocket expenses incurred in connection with your role as a Global Assessor, which is found in the volunteer expenses policy to be provided to you.

5. INSURANCE

We will provide adequate insurance cover for you while you are undertaking voluntary work approved and authorised by us.

6. CONFLICT OF INTEREST

We expect you may identify conflicts of interests with applicants, referees or submitters you know, or work closely with, in the course of work as a Global Assessor. We expect you to declare these conflicts of interest to us straight away, based on our definition below. In cases of unidentified conflicts of interest which present serious risk to the integrity or reputation of RSTMH and its grant programme, we reserve the right to remove you as a global assessor. Conflict of interest is defined as:

- Published with the applicant or referees in the last three years
- Collaborated with the applicant or referees in the last three years
- Your research is in direct competition with the applicant or referees' research
- Based at the same institution as the applicant or referees
- Named on the application as an applicant or collaborator

7. CONFIDENTIALITY

In the course of being a Global Assessor, you may have access to Confidential Information relating to Royal Society of Tropical Medicine and Hygiene, our members and supporters. We expect you not to use or disclose this information to any person either during your role with us or at any time afterwards and that you do not store this information after completion of the assessments, nor use this information for any other purpose.

8. DATA PROTECTION

Dear Sir,

It gives us immense pleasure to announce the result of Prayudh - the National Virtual Hackathon competition by IBM.

Students from over 70 universities across India participated in Prayudh. With over 500 registered teams submitting their solutions, our panel of judges had a hard time selecting a winner. In the end, what made the winning teams stand apart was the professional approach, completeness of solution, attention to detail and the confidence shown in presenting the solution to the judges.

It is with great joy and pleasure that we declare Team Equinox comprising of members Mahak Gupta, Vaibhav Narang and Abhishek Johri, from SRM University as First Runners Up of Prayudh!!

The attached creative may be used by the university on university portal and other media (LinkedIn etc) to announce the Team Equinox as First Runners Up of Prayudh.

Prize for the winner would be handed over to university once travelling starts, and university can hand over the prize to the student.

Congratulations to team Equinox, winners of Prayudh -2, Call for Code India
