Request Letter for establishing SWAYAM NPTEL Local Chapter

Prof. Andrew Thangaraj,
NPTEL Coordinator,
2nd floor, Central Library
IIT Madras,
Chennai-600036

Subject: Establishing an SWAYAM NPTEL Local Chapter in SRM University Delhi-NCR, Sonepat

Dear Prof. Thangaraj,

We are glad to inform you that we are interested in establishing an SWAYAM NPTEL Local Chapter in our university. Once the request for establishing the local chapter is approved, we shall provide our university logo and SPOC photo.

For NPTEL records, we are hereby providing the details of the Vice Chancellor of our university.

Vice Chancellor Name:	Dr. P. Prakash
Email ID:	vesrmh@srmuniversity.ac.in
Mobile number:	9810877588
Affiliated to (University):	SRM University, Delhi-NCR, Sonepat
Institution type:	Multidisciplinary- Engineering/ Management/ Law/ Humanities & Science / Commerce
Institution address:	SRM University, Plot No.39, Rajiv Gandhi Education City, P.S. Rai, Delhi-NCR, Sonepat-131029, Haryana
Pincode	131029
City:	Sonepat
State:	Harvans

We nominate Ms. Nidhi Chawla as the single point of Contact (SPOC), whose details are as follows:

Name:	Ms. Nidhi Chawla
Designation:	Assistant Professor
Department:	Computer Science and Engineering
Email ID:	nidhichawla739@gmail.com
Contact No:	9896017608

With regards,

Yours Sincerely

Vice Chancellor SRM University, Delhi-NCR, Sonepate 1,31029 (HR.)

1. Dr. Manish Bhalla, Registrar, SRM University Delhi-NCR, Sonepat

Dr. V. Samuel Raj, Dean (Academic Affairs), SRM University Delhi-NCR, Sonepat

3. Ms. Nidhi Chawla, Asst. Professor, Dept. of CSE, SRM University Delhi-NCR, Sonepat

Ministry of Human Resource Development Department of Higher Education (TEL Division)

Shastri Bhawan New Delhi dated 11.05.2018

To.

National Coordinators (NPTEL & UGC) SWAYAM

Subject: Functioning of SWAYAM - Local Chapters - reg.

Dear Sir / Madam,

Please find attached a letter to be circulated to your local chapters about their redesignation and their roles. Kindly have these letters circulated immediately.

2. Local Chapters would play a pivotal role in popularizing online education across the country through SWAYAM Courses.

Yours faithfully

(Dr. N. Saravana Kumar) Joint Secretary (TEL & ICC) TEL No. 011-23071486

Copy to:

- 1. Prof Andrew Thangraj, IITM
- 2. Dr.Pankaj Mittal, Addl. Secretary(UGC)

Government of India Ministry of Human Resource Development Department of Higher Education (TEL Division)

Shastri Bhawan New Delhi dated 11.05.2018

To,

Coordinators / Nodal Officers SWAYAM - NPTEL Local Chapter

Subject: Re-designation of NPTEL Local Chapters as SWAYAM - NPTEL Local Chapters & Functioning of SWAYAM - UGC Local Chapters - reg.

Sir / Madam,

The Online Education which was started with NPTEL for Technology Courses has now been broadened to include all other disciplines such as Humanities, Social Sciences and Management in the indigenous online platform SWAYAM. SWAYAM was officially launched by Hon'ble President of India on 09.07.2017. Now, NPTEL is part of SWAYAM.

- 2. NPTEL Courses are very popular today among the technology students and a large number of students are taking the benefit of these courses. The hard work and the efforts put in by the Nodal Officers / Coordinators and the other people associated with Local Chapters are primarily responsible for this success. The Ministry would like to complement and record its appreciation for the efforts put in by the Local Chapters in creating awareness and promotion of NPTEL Courses.
- Now, that NPTEL has becomes a part of SWAYAM, all the NPTEL Local 3. Chapters have been re-designated as SWAYAM - NPTEL Local Chapter with immediate effect. All the SWAYAM-NPTEL Local Chapters are requested to create awareness and promotion of all SWAYAM Courses.
- It is presumed that the SWAYAM NPTEL Local Chapters would shoulder this additional responsibility and play a pivotal role in popularizing online education across the country to achieve equity, access and quality in education.

(Dr. N. Saravana Kumar) Joint Secretary (TEL & ICC)

TEL No. 011-23071486

Yours faithfully,

Supreme Court Overturns Roe v. Wade

55 51

This morning, the Supreme Court ruled in *Dobbs v. Jackson* to overturn *Roe v. Wade*, the court case that had established a constitutional right to an abortion. This comes after a controversial leak of the Court's draft decision back in May. Read our **blog post** to learn more and access the official Slip Opinion now live in HeinOnline.

Shodhganga

Request - Access to ETD - Shodhganga - Facility - Upload Theses and Dissertations - Anti Plagarism Software - regarding

1 message

Dr. Srinivasan Kannan <skannan@srmuniversity.ac.in> To: director@inflibnet.ac.in Bcc: vcsrmh@srmuniversity.ac.in

Fri. Dec 1, 2017 at 4:20 PM

Respected Sir,

We, the SRM University, Delhi-NCR, Sonepat, Haryana have an MoU with the INFLIBNETon 19th Sep 2017 to take part in the process of digitization of the theses and dissertations and building-up of the digital repository and to promote, share and host the ETD in "Shodhganga". In this regard, our respected Vice Chancellor advised me to write mail to INFLIBNET. For the purpose, I request your good office to kindly provide

- access to ETD hosting server(s) at the INFLIBNET Centre Shodhganga to the University with the accompanied software interface to enable us to create metadata and upload our University Research Scholars theses and dissertations in ETD repository.
- We request you to kindly provide the steps and procedures to upload the theses and dissertations in ETD repository.
- Request to kindly provide the configuration of system, specifications and technical guidance to take part in Shodhganga.
- Request to kindly grant access to the anti-plagiarism software to evaluate the originality of the theses and dissertations.

Thanking you

Dr.S.KANNAN University Librarian, Prof DLIS SRM University, Delhi-NCR, Sonepat P.S.Rai Post Office, Sonepat, Haryana-131029

O/Vc Ref. No. N.A. Diary No...6.3.4..... Date 01-12-2017

To

The Director (E-ShodhSindhu Team) INFLIBNET Centre An Inter University Centre of University Grants Commission, Infocity Gandhinagar - 382007. Gujarat, INDIA.

Phone: 079-23268201

Respected Sir.

Sub: E-Shodh.Sindhu Consortium of INFLIBNET - Private Universities Associate Membership – Annual Membership Payment - Reg.

We would like to be a Private Universities Associate Membership in E-Shodh Sindhu Consortium of INFLIBNET to facilitate the subscription to e-resources to our SRM University, Dehli-NCR, Sonepat, Haryana Library which are available through the Consortium. We have already registered our university through the URL http://ess.inflibnet.ac.in/associate.php For this purpose we are sending our payment as Demand Draft, Amount ₹10000 (Rupees Ten Thousand Only), DD No: 328026, dt.01.06.2017 from CUB, New Delhi in the name of The Director, INFLIBNET CENTRE. Kindly accept and send us the acknowledgement with the seal and signature for our official records please.

Thanking you,

Yours truly,

Dr.S.KANNAN

University Librarian, Prof. DLISc

Re-request for Anti Plagarism Software - regarding

3 messages

Dr. Srinivasan Kannan <skannan@srmuniversity.ac.in>
Wed, Dec 6, 2017 at 4:53 PM
To: "Dr. Jagdish Arora" <director@inflibnet.ac.in>, vcsrmh@srmuniversity.ac.in, "Prof.(Dr.) Manish Bhalla Registrar"
<re>

Respected Sir,

In response to your office mail dated 04th Dec 2017, I would like to write the following.

Regarding the University Coordinator - THE REGISTRAR, SRM University, Delhi-NCR, Sonepat, Haryana will be the liaison officer to coordinate with INFLIBNET.

Steps were noted down for uploading the theses and dissertations. We shall seek your help, if we find any problem in uploading the theses and dissertations in Shodhganga, including the training programme to our staff members.

Regarding Anti plagarism software, if you recall, when you come to our University to sign in the MoU on 19th Sep 2017, you promised that the Anti plagarism software will be given at free of cost irrespective of the University status (not under 12B cadre). But when we saw the mail from your office sent by Mr. Manoj Kumar K, Scientist-D (CS), saying that we should purchase the software from the vendor, we distress in this issue. Hence, we request you to kindly look into this matter, resolve this issue, and provide free access to the Anti Plagarism Software as promised. Your immediate response will highly be appreciated and helpful to us in active participation of the Shodhganga project.

with kind regards,

Dr.S.KANNAN

University Librarian, Prof DLIS^{SON} / Diay: 636 SRM University, Delhi-NCR, Somepatone: 07ルルルルル P.S.Rai Post Office, Sonepat, Haryana-131029 Ref. No. 644 Diary No. Date. 7/12/2014

Wed, Dec 6, 2017 at 6:44 PM

Dr. Jagdish Arora <director@inflibnet.ac.in>

To: "Dr. Srinivasan Kannan" <skannan@srmuniversity.ac.in>

Cc: VC SRM Haryana <vcsrmh@srmuniversity.ac.in>, "Prof.(Dr.) Manish Bhalla Registrar" <registrar@srmuniversity.ac.in>.

Dear Mr. Kannan,

As mentioned by Mr. Manoj Kumar, we can provide access to anti-plagiarism system only to entitled universities. I do plagiarism package.

Thanks and regards

Lipa

5KM UNIVERSITY DELHI-NCK, SUNEPAT HAKYANA

Department of Library and Information Science

SRMUH/Library/PA-PA-2022-23

From: To: University Librarian Vice - Chancellor

Date: 23/05/2022

Subject: (Automation of Resource Center - Central Library)

S.No	Particulars	
1	40	RFID Staff Station
2	Automation of Resource Center	Self-Check-Out Kiosk (With OPAC Facility)
3	s =	RFID Book Drop

Present Library System: Independent library functions in ERP systems which are not integrated with the existing RFID System consisting of RFID Tags, Gate and Station. We are unable to use the RFID technology properly for the smooth functioning of the library automation. Existing software functions in ERP are not comprehensive and integrated. Report generation is limited. It does not offer any integration with the RFID system. The books are separately discharged through the RFID system, which is not reliable and integrated in real time with the ERP software having library functions.

Proposed Integrated Library System: To increase the efficiency of our library operations, we propose integrated library management software (ILMS) for real-time integration with RFID system. We will use the existing RFID equipment, i.e., RFID Tags, Gates to integrate with basic Web Centric ILMS from.LIBSYS is the leading solution for Library automation and has 3000+ libraries using it, including academic institutes, research laboratories, Government Organizations, and public libraries having deployed it for a long time. LIBSYS library offerings include LIBSYS10/LSEase LMS, LSDiscovery, LSRemote and ERMS for subscribed journals and other e-resources, and RFID systems. The solutions offered by LIBSYS are if high quality, better efficiency, and responsiveness.

Proposed system will support biometric technology for member registration and identification on Web Centric LSEase software on Cloud. In addition, I would like to propose additional self service kiosks and book drop facility for modernizing our library. It covers functions in well-built modules, i.e., Acquisition, Cataloguing, Circulation, Serials, along with enriched OPAC. A seamless workflow enables library staff with a powerful tool to manage library operations efficiently. New purchase approvals, collection development, material handling, and host of other functions form an integral part of the system. MARC21 interface help Cataloguing on the fly.

2. V. 5/h 5/2022

LIBSYS OPAC: a library will be able to address most of the user's queries including linking of 3rd party databases, etc. OPAC makes it easier for patrons to find what they are looking for with features as 'More about the author', 'Shelf Browse' and customizable filters. Its new version comes with personalized dashboard for users having notifications, fine logs, and cart. Features like new additions, saved searches, account status gives personalized access to library resources and help users keep track of items and fine. The responsive interface gives flexibility to access the OPAC from mobiles and tablets.

RFID Staff Station

LSmart-RFID Station consists of a RFID Reader with Pad Antenna (ISO 15693/ISO 18000-3/ISO), and Client Software used to convert a collection to RFID as well as to check-out, check-in and renewal of library tagged items with Web Centric library software.

Self-Check-Out Kiosk (With OPAC Facility)

RFID SCO Kiosk having high quality DuPont Corian enclosure, TAGSYS RFID Kit (ISO 15693 and ISO 18000-3), 22" Touch Screen Monitor (AOC/PHILIPS), 80 MMThermal Slip Printer (EPSON), Branded CPU (DELL/HP/LENOVO) with Windows10 and Client browser-based software to guide the individuals in checking-out, check-in, renewal facility, integrated with Web Centric software

RFID Book Drop

RFID Book Drop in high quality and finish along with TAGSYS RFID Kit (ISO 15693 and ISO 18000-3),80MM Thermal Slip Printer (EPSON), 22" Touch Screen Monitor (AOC/PHILIPS),75-100 Books Aluminium BooksReceiving Cart, (Dell/HP/Lenovo) with Windows 10 software and KSmart-browser based client software to guide the individuals in check-in facility integrated with Web Centric software.

If approved, a committee may be formed.

Similarity Detection and Plagiarism Verification of Master Dissertation / Ph.D. Synopsis / Thesis

(UGC Regulation 2018 on Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions)

In view of the UGC Regulation 2018 on Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions, the following implementation guidelines must be adhered to for similarity detection and obtaining plagiarism verification report for submitting Master dissertation/Ph.D. synopsis / thesis.

- 1. The document must be submitted well in advance, at least 03 days before the deadline forsubmission of the Master dissertation / Ph.D. synopsis / thesis.
- 2. The document should include abstract, summary, hypothesis, observations, results, conclusions and recommendations.
- 3. The similarity check shall exclude the following:
 - i. Published research papers where researcher is an author.
 - ii. All quoted work reproduced with all necessary permission and/or attribution.
 - iii. All references, bibliography, table of content, preface and acknowledgements.
 - iv. All generic terms, laws, standard symbols and standard equations.
 - v. Common knowledge or coincidental terms, up to fourteen (14) consecutive words.
- 4. The report may be reviewed by the concerned supervisor for further exclusions as mentioned in point no. 3. The supervisor can recommend exclusion (as per the guidelines above) in the format prescribed.
- 5. Revised plagiarism verification report (based on point no. 4) will be issued after exclusion in terms of point no. 3 above.
- 6. The following prescribed formats will be used:
 - a. Supervisor's certificate for exclusion of self-published work.
 - b. Plagiarism verification report.
 - c. Supervisor's exclusion report.
 - d. Revised plagiarism verification report.

In case of further clarification, if any, the Research Council may be consulted.

October 4, 2021

A meeting of the library rules and regulations for library operation was held on 04/10/2021 at 03:00 pm in the Dean Academic Affairs Office, Room No. 107, Engineering Block. Prof. Raj chaired the meeting.

The following members were present.

- 1. Prof. (Dr.) V. Samuel Raj, Dean Academic Affairs
- Prof. (Dr.) D. V. Singh, Librarian

3. Prof. (Dr.) Komal Audichya, HOD Law
The committee recommended the rules and regulations for library operation with the following amendment.

- 1. M.Phil. and Post-Doctoral should be replaced with Under Graduate Students.
- 2. Committee feels that the terms and condition for purchase of books may be discussed in a bigger committee.

- 1. Membership of Master's level and undergraduate students will be valid from the beginning of each academic session;
- 2. Membership of Ph. D and students under other categories, will be valid for one academic session (July to June mode) and thereafter should renew their membership;
- 3. Membership of Teachers of the University is valid for one academic session and thereafter should renew their membership;
- 4. Membership of Non-teaching staff is valid for one academic session and thereafter should renew their membership;
- 5. Membership of Special category is valid till the expiry of the term, which has been specified while issuing the consultation facility.

Note: Renewal of membership to students and research scholars will be done on the basis of production of fee receipt indicating the annual deposits.

D-v-sih

OBTAINING CLEARANCE CERTIFICATE

OBTAINING CLEARANCE CERTIFICATE WITH NO DUES IS MANDATORY TO ALL THE BONAFIDE MEMBERS OF THE UNIVERSITY

- The library books/ tickets/ membership cards are the property of the University Central library and are to be returned.
- It will be mandatory for each and every bonafide member of the Library to obtain **No Dues** from the Central Library after obtaining the clearance from respective department libraries.
- All formalities to obtain clearance certificate are to be completed by the member before taking the university examination or submitting the theses/ dissertations or leaving the university as the case may be.
- A research student is required to submit a clearance certificate of the library to the Board of Research Studies before the research work is accepted for examination.
- No Department/ Administrative machinery of the University shall issue a discharge certificate to any of its student/teacher/non-teaching staff who is a member of the library without obtaining a "Library No Dues Clearance Certificate" from the Central Library.
- Clearance Certificates will not be issued to non-members.

D-V-sih

BORROWING FACILITY

Following facilities are extended to the bonafide members to borrow the specified number of volumes from the libraries (wherever the borrowing facilities are extended) for the period mentioned against each.

- i. Members of the Teaching Staff of the University will be issued a membership generated electronically and can borrow ten books for one month (30 days).
- ii. Ph. D. students enrolled with the University will be issued a membership generated electronically and can borrow six books for one month (30 days).
- iii. Masters level students registered in the University Departments/ Faculties will be entitled for membership generated electronically and can borrow four books. They can borrow only two text books out of the total number of four books for a period specified by the Central Library.
- iv. Bachelor level students who are on the rolls of the Faculties/ Departments of the University will be entitled for membership generated electronically and can borrow four books. They can borrow only two text books out of the total number of four books for a period specified by the Central library.
- v. Outsiders other than retired teachers and non-teaching staff of the University, Only consultation facility.
- vi. Non-teaching staff of the University will be entitled for membership generated electronically and can borrow four books for a fortnight (15 days).

D-V-sih

CONDITIONS OF LOAN

- Electronically generated membership and the books issued on those memberships, by the respective libraries, are <u>non-transferable</u> extended only to the members to whom they have been given.
- Sub-lending of the books and misuse of the privileges are entirely at the risk of the membership holder and Library/ libraries in no way will be responsible of its misuse.
- Manuscripts, reference books, rare books, thesis, dissertations, periodicals (loose numbers and bound volumes) and such other reading materials as are marked for consultation within the library shall not be issued out for loan except with the special permission of the Librarian.
- Borrowers must satisfy themselves about the physical condition of the books before borrowing; otherwise, they will be held responsible for any damage or mutilation noticed later or at the time of returning.
- Penalties for books lost, damaged, mutilated or defaced by marking shall be fixed by the University Librarian.
- The University Librarian or In-charge of the Library pending the discharge of the liabilities may suspend defaulters from the use of the library.
- Loan of books is not renewable, in case it is in demand by another user.
- The University Librarian or In-charge of the Library can recall books on loan with members at any time.

D-V-sih.

ISSUE SYSTEM AND RESERVATIONS

- On each occasion when the book is borrowed, the reader must approach the respective library's issue and return counter with their electronically generated membership ID and get the book charged/ issued/ discharged/ return.
- In above case, the reader should also check their <u>online record</u> by using User ID and password to know the status of issue/ return.
- Reservation for books which are not on the library shelves can be made by teachers and
 research students on prescribed reservation cards available at the reference desk or
 electronically through e-mail, as the case may be. The library will inform the member as
 soon as the book is available.

D. N. Syl

THE USE OF TEXT BOOK COLLECTION

- Text Book collections is available in different libraries on the subjects handled by it.
- Text Book Collection comprises of reading materials covering prescribed readings, recommended reading, allied and relational readings and such other books as may be considered important for placement along with such collection.
- Some copies of Text Books, as may be considered necessary, may be kept for Consultation only and cannot be issued.
- In the case of heavy demand of certain books, the preference will be given to students at the Masters and M.Phil. levels;
- Rules regarding loan period in respect of text books and its usage may vary from library to library;
- Facility to reserve Text Books is available;
- Overdue charge for keeping the Text Books overtime is Rs.50/- per volume day per.

INTER-LIBRARY LOANS

- a. Inter-Library Loans is a facility which supplements the Library's own stock by obtaining material which is not available in the University Library for Teachers, Research Scholars and Masters level students;
- b. Members of the Library may request the requisite book/s on Inter-Library Loan from other libraries;
- c. Request forms for obtaining books on ILL can be obtained from the Reference Staff at the Central Library. A form must be filled in for each item to be requested, giving all available details about each item;
- d. It is important that before submitting Inter-Library Loan requests, users first search the collection of the Central Library including the e-resources subscribed by the University to see if the reading material is available physically or electronically;
- e. Books borrowed from other libraries are required to be used within the Central Library and in no circumstances will be allowed to be taken out of the library premises;
- f. Lending libraries have the right to impose conditions of loan including loan period and number of renewals permitted, if any. These conditions must be adhered to strictly by borrowers. The Library may impose fine on borrowers with Inter-Library Loan material in their possession beyond the due date. Serious or persistent offenders may be denied access to the Inter-Library Loan service.

D-V-sih

ACCESS FACILITIES

- All bonafide members are entitled to access electronic resources through campus network;
- However, bulk copying, systematic downloading or use of such electronic materials for commercial purposes and other such usages which are in violation to IPR rules or other relevant rules and regulations, is strictly prohibited.
- Strict action will be taken, if any breach of law is discovered.
- The members have the privilege of direct access to the shelves in the stack halls and the freedom to browse books during specified hours subject to certain requirements of the concerned library.
- The library books are for the benefit of not only the present but also the future members of the library. Therefore, the books should be handled with every care and consideration.
- It is important that the classified arrangement of books, according to the numbers, is maintained on the shelves for the convenience of the members themselves.

D-V-sih

FACILITIES FOR RESEARCH SCHOLARS AND THE ATTENDANT CONDITIONS

These rules and conditions are applicable to those Libraries that provide facility to the research scholars with research carrels and lockers, subject to availability of seats:

- i. Bonafide Ph. D. student shall be entitled to use the research floor on the basis of the Research Floor Membership Card;
- ii. A specified area in the research floor will be available to M. Phil. students;
- iii. Bonafide teachers registered for Ph.D. or engaged in sponsored projects; and visiting research scholars from India and abroad, on production of necessary papers and with the permission of the University Librarian may use the research floor;
- iv. The Library reserves the right to call for any book retained by any scholars;
- v. Dissertations/ Thesis can be consulted only at the designated place in the Library in a specified time period. Photocopying or scanning of printed theses/ dissertation is not permissible;
- vi. Research scholars shall give prior information to the library before proceeding on long periods of absence (more than two months) on vacation/leave/ field work;
- vii. The members shall inform the library about any change in their contact address or status;
- viii. Tea, beverages and other eatables on the research floor are not permissible in the library;
- ix. Library administration shall not be responsible for the loss of any valuables and personal effects of the users.
- x. Any violation of Rules and Regulations may entail cessation of facilities provided.

OVERDUE CHARGES

- The member is expected to return borrowed books on or before the due date stamped on the date label in the book.
- An overdue charge of Rs. 50/- per day per volume will be levied for the late return of general books.
- Overdue charges for delayed return of text books will be in accordance with the rules specified above under Use of Textbook Collection.

P-V-CM

LOSS OF BOOKS AND / OR LIBRARY TICKETS

- Neither books nor membership be lent to another person.
- The member is responsible for the books borrowed on his / her library membership card.
- Loss of library books or membership card must be reported in writing to the University Librarian or In-charge of the Library immediately.
- Borrowers will be asked to pay at the rates fixed by the Library for replacing the book lost or returned in damaged or mutilated condition.

DIM

LIBRARY HOURS

- The library shall normally functions for the period fixed by the Competent authority.
- Library hours are subject to change from time to time and all changes in timings will be duly notified on the notice boards of different libraries.
- The library will remain open round the year except on Republic Day, Holi, Independence Day and Gandhi Jayanti on such other days prescribed by the University authority.

Dev Sih

MAINTENANCE OF DISCIPLINE

University Library is a place of individual study and research. It is necessary to maintain silence and dignity inside the library. Members are, therefore, reminded that conversation or consultation among themselves or noisy or demonstrative greetings of friends inside the library is not permissible. Library users are expected not to act in any way which disturb the reading or study of other users or which also interferes with the proper functioning of the Library. ł Smoking is not allowed inside the library. The users will be required to deposit their personal belongings including personal books at the property counter. Librarian reserves the right to check the contents of the items deposited at the property counter. The Librarian on written request can permit the use of personal laptop and other electronic gazzett inside the library. Use of mobile phone is prohibited, especially in the areas where the users are engaged in study and research. Eating and drinking is not allowed in the areas where the users are engaged in study and research. Damage to or theft of Library property will be reported to the University's Disciplinary authorities and other law enforcing authorities. Notices, publicity materials/ wall writings etc. are not allowed in any part of the Library building. The Librarian will not be responsible for any damage or loss to equipment plugged into power points in the library or to data stored there in as a result of power fluctuations or any other cause. Library staff working in the Library will not be able to transmit telephone calls or other personal messages to library users.

D-V-SIN

Strict silence is required to be maintained in the library

AUTHORITY OF THE LIBRARIAN OF CENTRAL LIBRARY

The Librarian of the University Central Library is vested with all powers to ensure and enforce proper discipline, upkeep and observance of rules and regulations as laid down herein above and other relevant rules and regulations enforced from time to time. He/she may take necessary action to the extent of imposing penalties demanding compensation for lost or damaged items belonging to the library, suspend/terminate the privileges of the library membership or deal with any issue which is in the interest of the library.

16. THE ACT OF PLAGIARISM

In the case of research scholars who have copied, as confirmed by a committee, a research Work/ thesis of Ph.D. degrees, his/her thesis shall be rejected and his/her research registration shall be terminated and also he/she shall be debarred from registering for any other programme in this University.

Zero Tolerance Policy in core area:

The core work carried out by the student, faculty, staff and researcher shall be based on original ideas and shall be covered by Zero Tolerance Policy on Plagiarism. In case Plagiarism is established in the core work claimed then Plagiarism Disciplinary Authority (PDA) of the HEI shall impose maximum penalty.

The core work shall include abstract, summary, hypothesis, observations, results, conclusions and recommendations.

Levels of Plagiarism in non-core areas:

For all other (non-core) cases, plagiarism would be quantified into following levels in ascending order of severity for the purpose of its definition:

- i. Similarities upto 10% Excluded
- ii. Level 1: Similarities above 10% to 40%
- iii. Level 2: Similarities above 40% Io 60%
- iv. Level 3: Similarities above 60%

Similarity checks for exclusion from Plagiarism:-

The similarity checks for plagiarism shall exclude the following:

- i. All quoted work either falling under public domain or reproduced with all necessary permission and/or attribution.
- ii. All references, bibliography, table of content, preface and acknowledgements.
- iii. All small similarities of minor nature.

Phone: 079-23268241/42

26/3/2022

Dear Sir/Madam,

It seems that you did not find time to submit the subscription details of e-Resources subscribed in the ONOS survey. This is to inform the last date for submission of the subscription details for ONOS Survey (https://ess.inflibnet.ac.in/oes/) has been extended till March 31, 2022.

You are requested to kindly spare some time and submit your subscription details for the year 2021 latest by March 31, 2022.

Kindly note that if your institute has **not** subscribed any resource(s) from your own funds, you can participate in the survey by selecting the option "My Institute did not subscribe any resources from institute fund for the year 2021."

For any assistance/help, you may reach us through email (<u>eshodhsindhu@inflibnet.ac.in</u>) or telephonically (079-23268241/42/49/40).

Looking forward to your support and cooperation for this initiative.

Please ignore if already submitted

Vice - Chancellor

Subject: (Automation of Resource Center - Central Library)

S.No	Particulars	
1	A took tied of Decourse	RFID Staff Station
2	Automation of Resource Center	Self-Check-Out Kiosk (With OPAC Facility)
3		RFID Book Drop

Present Library System: Independent library functions in ERP systems which are not integrated with the existing RFID System consisting of RFID Tags, Gate and Station. We are unable to use the RFID technology properly for the smooth functioning of the library automation. Existing software functions in ERP are not comprehensive and integrated. Report generation is limited. It does not offer any integration with the RFID system. The books are separately discharged through the RFID system, which is not reliable and integrated in real time with the ERP software having library functions.

Proposed Integrated Library System: To increase the efficiency of our library operations, we propose integrated library management software (ILMS) for real-time integration with RFID system. We will use the existing RFID equipment, i.e., RFID Tags, Gates to integrate with basic Web Centric ILMS from.LIBSYS is the leading solution for Library automation and has 3000+libraries using it, including academic institutes, research laboratories, Government Organizations, and public libraries having deployed it for a long time. LIBSYS library offerings include LIBSYS10/LSEase LMS, LSDiscovery, LSRemote and ERMS for subscribed journals and other e-resources, and RFID systems. The solutions offered by LIBSYS are if high quality, better efficiency, and responsiveness.

Proposed system will support biometric technology for member registration and identification on Web Centric LSEase software on Cloud. In addition, I would like to propose additional self service kiosks and book drop facility for modernizing our library. It covers functions in well-built modules, i.e., Acquisition, Cataloguing, Circulation, Serials, along with enriched OPAC. A seamless workflow enables library staff with a powerful tool to manage library operations efficiently. New purchase approvals, collection

LIBSYS OPAC: a library will be able to address most of the user's queries including linking of 3rd party databases, etc. OPAC makes it easier for patrons to find what they are looking for with features as 'More about the author', 'Shelf Browse' and customizable filters. Its new version comes with personalized dashboard for users having notifications, fine logs, and cart. Features like new additions, saved searches, account status gives personalized access to library resources and help users keep track of items and fine. The responsive interface gives flexibility to access the OPAC from mobiles and tablets.

RFID Staff Station

LSmart-RFID Station consists of a RFID Reader with Pad Antenna (ISO 15693/ISO 18000-3/ISO), and Client Software used to convert a collection to RFID as well as to check-out, check-in and renewal of library tagged items with Web Centric library software.

Self-Check-Out Kiosk (With OPAC Facility)

RFID SCO Kiosk having high quality DuPont Corian enclosure, TAGSYS RFID Kit (ISO 15693 and ISO 18000-3), 22" Touch Screen Monitor (AOC/PHILIPS), 80 MMThermal Slip Printer (EPSON), Branded CPU (DELL/HP/LENOVO) with Windows10 and Client browser-based software to guide the individuals in checking-out, check-in, renewal facility, integrated with Web Centric software

RFID Book Drop

RFID Book Drop in high quality and finish along with TAGSYS RFID Kit (ISO 15693 and ISO 18000-3),80MM Thermal Slip Printer (EPSON), 22" Touch Screen Monitor (AOC/PHILIPS),75-100 Books Aluminium BooksReceiving Cart, Branded CPU (Dell/HP/Lenovo) with Windows 10 software and KSmart-browser based client software to guide the individuals in check-in facility integrated with Web Centric software.

If approved, a committee may be formed.

Proposed Solution

LSEase library management system has a user-friendly interface, which is built on international standards and open technology. It covers functions in well-built modules, i.e., Acquisition, Cataloguing, Circulation, Serials, along with enriched OPAC. A seamless workflow enables library staff with a powerful tool to manage library operations efficiently. New purchase approvals, collection development, material handling, and host of other functions form an integral part of the system. MARC21 interface help Cataloguing on the fly.

Keeping with the latest trends, we have come-up with a new interface for LIBSYS OPAC. With new OPAC a library will be able to address most of the user's queries including linking of 3rd party databases, etc. New OPAC makes it easier for patrons to find what they are looking for with features as 'More about the author', 'Shelf Browse' and customizable filters. The new version comes with personalized dashboard for users having notifications, fine logs, and cart. Features like new additions, saved searches, account status gives personalized access to library resources and help users keep track of items and fine. The responsive interface gives flexibility to access the OPAC from mobiles and tablets.

Advantages of LSEase on Cloud

- Economical: There is no capital expenditure involved in maintaining IT infrastructure as required to run today's high-end Web applications. Customer pays as per use based on subscription plan.
- 24X7 Availability: The user can access applications remotely 24/7 from Anywhere with an uptime of 99.9% as being industry standard.
- Effective Trouble Shooting: Beside easy deployment of application, Cloud offers timely maintenance with better turnaround time through a single point of contact.
- Automatic Software Updates: The software updates are applied to deployed application as soon as these are available without loss of time.
- Reliable Database Backups: Regular and reliable database backup are scheduled and automatically taken on cloud which keeps the customer free from all worries as applications on cloud deployments can recover itself in case of any mishaps.
- Secured, Scalable & Reliable: Web application on cloud is secured as not accessible to staff without tough authentication set by service provider. The deployment configuration can be scaled up and down dynamically as per customer's needs with reliability as needed for critical applications.
- Single Point of Contact: Customer has to contact only one service provider in case of any problems faced, which results in quick and effective resolution.
- Better RCI (Return on Investment): Besides saving on finances, there are many inherent benefits enjoyed by customer as they are not concerned with any day-to-day.

K. Andrilya

The state of the s

Terms and Conditions

- Implementation support.
- Payment: 100% in advance with order.
- Service for the quoted amount will be one year from the date of start of subscription. Subscription to be renewed at the end of year, annually. Discounted rate will be applicable for first two years.
- Renewal: 100% payment in advance, at least 7 days prior to the expiry of last subscription period.
- The services would be stopped automatically if renewal along with payments are not done in advance prior to start of next year.
- Subscription planned for 3 years and accordingly resources are committed.
- Payment to be made in the name of M/s LIBSYS Ltd.
- * *GST extra, currently 18%.
- Quotation Validity: 30 days.
- All support calls will be logged in our customer care portal 'LSCC'. LIBSYS will not encourage Adhoc calls received through telephone / e-mail.
- Web Centric LSEase software have been developed totally in-house and is a proprietary product of LIBSYS Ltd.
- '3-2-1' Backup Strategy is to ensure that data is adequately duplicated and reliably recoverable. Three copies of data are created on at least two different storage media and at least one copy is stored remotely.
- LSEase is deployed on a server cluster environment with secured, automated data backups which include: a) Full Backup, b) Incremental Backup and c) Differential Backup.

Minutes of the Meeting Date: 29th June 2022; Time: 11:00 AM

A meeting of the Library Automation Committee, consisting of the following members, was held on 29th June 2022 at the 5th Floor in the Conference Hall, Engineering Block.

The following members were present during the meeting:

- 1. Prof. D.V. Singh, Chairman.
- Prof. Rakesh Dube, Dean Science & Humanities Member.
- 3 Prof. Komal Audichya, HoD Law - Member.
- Prof. Sanjay Kumar, Invited Member 4.
- Mr. Balasunderraj P. -Deputy Manager-ITKM Co-opted Member 5.
- Mr. Koushik Chatterjee-Invited Member
- All Library Staff
- 1. The meeting was notified and open to all the Faculty members for their valuable contributions
- 2. The Libsys -Library Management Software representative was present in the Campus for the Live demonstration of the software.
- 3. The representative of Libsys gave detailed live demonstration of various aspect of the Library operations.
- 4. Members raised several questions which he explained to their full satisfaction.
- 5. Mr. Balasunderaj raised certain issues which required to be addressed/ customised according to the requirement of the University. The representative of Libsys assured for compliance.
- The Committee feels that the Libsys Library Software will be suitable for our University requirements and also recommends that the Minute of Meetings may be sent to the Competent Authority for his due approval to proceed further in this regard.

The meeting ended with the thanks to the Chair.

Automation of Resource Center

Present Library System: Independent library functions in ERP system which are not integrated with the existing RFID System consisting of RFID Tags, Gate and Station. We are unable to use the RFID technology properly for the smooth functioning of the library automation. Existing software functions in ERP are not comprehensive and integrated. Report generation is limited. It does not offer any integration with the RFID system. The books are separately discharged through the RFID system, which is not reliable and integrated in real time with the ERP software having library functions.

Proposed Integrated Library System: To increase the efficiency of our library operations, we propose an integrated library management software (ILMS) for real-time integration with RFID system. We will use the existing RFID equipment, i.e., RFID Tags, Gates to integrate with basic Web Centric ILMS from. LIBSYS is the leading solution for Library automation and has 3000+ libraries using it, including academic institutes, research laboratories, Government Organizations, and public libraries having deployed it for a long time. LIBSYS library offerings include LIBSYS10/LSEase LMS, LSDiscovery, LSRemote and ERMS for subscribed journals and other e-resources, and RFID systems. The solutions offered by LIBSYS are high quality, better efficiency, and responsiveness.

Proposed system will support biometric technology for member registration and identification on Web Centric LSEase software on Cloud. In addition, I would like to propose additional self service kiosks and book drop facility for modernizing our SRM library. It covers functions in well-built modules, i.e., Acquisition, Cataloguing, Circulation, Serials, along with enriched OPAC. A seamless workflow enables library staff with a powerful tool to manage library operations efficiently. New purchase approvals, collection development, material handling, and host of other functions form an integral part of the system. MARC21 interface help Cataloguing on the fly.

LIBSYS OPAC:a library will be able to address most of the user's queries including linking of 3rd party databases, etc. OPAC makes it easier for patrons to find what they are looking for with features as 'More about the author', 'Shelf Browse' and customizable filters. Its new version comes with personalized dashboard for users having notifications, fine logs, and cart. Features like new additions, saved searches, account status gives personalized access to library resources and help users keep track of items and fine. The responsive interface gives flexibility to access the OPAC from mobiles and tablets.

Prof. Rakesh Dube (Member)

Mr. Balasundararaj P

(Member)

Technical Specifications of RFID Equipment for Library:

- 1. RFID Staff Station along with Biometric Reader for Member Identification (Qty: 2 Nos.)
- a) RFID Reader with PAD Antenna

RFID Reader

- Frequency: 13.56 MHz
- Standard: ISO 15693/ 18000-3 compliant
- Weight: Light weight
- Communication Interface: USB 2.0 or higher

PAD Antenna

- Size: 288 x 263 x 17 mm
- Read/Write Performance: 20" or more
- Cable: 3 m built-in coaxial cable
- RF MAX INPUT Power: 1.2 W
- b) Browser based client software for Tagging/Issue/Return & Renewal of library material.

Client Software should support following features:

- Circulation process Check out / Check in / Renewal
- Tagging/Retagging after proper online validation of the title/member records in LMS

database.

- Tag monitoring by accessing item record from LMS database.
- Sorting by accessing Title record from LMS.
- Provision for display of member photograph along with member details while doing the

transactions.

- Provision for display of reservations done by a member along with sequence and date of collection.
- Provision of enquiry of checkouts against a member and its due date.
- · Provision of slip printing containing the details of a transaction.

2. Self-Check-Out Kiosk (With OPAC Facility) (Qty: 2 Nos.)

It should consist of:

- a) SCO enclosure having elegant design, finish and in Corian material.
- b) RFID Reader with PAD Antenna having multiple Read/Write facility.
- c) Small Form Factor CPU (DELL/HP)
- d) High Speed Thermal Slip Printer (EPSON)
- e) Biometric Reader for Member Identification
- f) Multi-protocol firmware ISO 15693 and 18000-3 compliant
- g) 22" Branded LED Touch Screen Monitor
- h) Communication Interface (Ethernet)
- i) Multi-protocol firmware ISO 15693 and 18000-3 compliant
- j) Browser based Client software to guide the individuals in checking-out/in of

D-V-5-7H

March

(2/3)

RFID tagged

books integrated with LMS giving following features:

- * Real time check-out/in should be processed
- ♣ Transaction confirmation via E-mail/SMS/Print.
- ♣ Option to covert it into an OPAC Kiosk
- 3. RFID Book Drop (Qty: 2 Nos.)

It should consist of:

- a) Book Drop enclosure with Slider having elegant design, finish and material.
- b) RFID Reader with PAD Antenna having multiple Read/Write facility.
- c) Aluminium Book Receiving Cart (100 Books capacity) with Vertically Moveable Base-plate.
- d) Small Form Factor CPU (DELL/HP)
- e) High Speed Thermal Slip Printer (EPSON)
- f) Multi-protocol firmware ISO 15693 and 18000-3 compliant
- g) 22" Branded LED Touch Screen Monitor
- h) Communication Interface (Ethernet)
- i) Multi-protocol firmware ISO 15693 and 18000-3 compliant
- j) Browser based Client software to guide the individuals in checking-in of RFID tagged books

integrated with LMS giving following features:

- * Real time check in should be processed
- ♣ Transaction confirmation via E-mail/SMS/Print.

Eligibility Criteria

- * RFID Library Equipment should be from Global Original Equipment Manufacturer who have automated at least 250+ libraries globally. Provide OEM certificate.
- * RFID supplier should have dedicated registered office in NCR for service support

minimum 10 years.

♣ Supplier must have minimum 50 live sites, including 3 libraries where proposed RFID system

is operational for last 5 years. Provide certificates / installation report.

* Supplier should have minimum turnover of Rs.5 Crore P.A. for library automation system in

last three financial years. Provide CA certified certificate and audited copy of balance sheet.

* Sub-contracting of the job or consortium is not allowed. Single party will be responsible for

complete implementation and maintenance of system in the long run.

A Supplier should have minimum 25 permanent employees on its official role in India. To provide EPF registration details.
