Dear All,

Greetings of the Day!

It is my immense pleasure to inform you that the Department of Biomedical Engineering, Biotechnology, and Microbiology is celebrating World Immunology Day in association with the Indian Immunology Society on April 29th, 2022 (today) at 9:30 AM in the Conference Hall (5th Floor of Engineering Block).

Please grace the event with your presence.

With best regards

SRM UNIVERSITY AT A GLANCE

SRM Group of Institutions have 5 decades of legacy, 4 Universities, 7 campuses, 18 institutions and celebrated as one of the top-ranking Universities in India with over 70,000 students and 4,500 faculties. Based on sheer demand and greater accessibility, the need to establish a revolutionary campus in the national capital region paved way for SRM University, Delhi – NCR, Sonapat. The vision is to emerge as a leading world – class University that disseminates knowledge by adapting industry-oriented pedagogy in Engineering & Technology, Management, Law and Science & Humanities on par with international standards. SRM University, Delhi – NCR was established under the Haryana Private Universities Act 2006 as amended by Act 8 of 2013. It is also recognized By UGC u/s 2(f) of UGC act 1956, DSIR, AIU, ACU and approved by BCI. SRM University works closely leading industries in designing its curriculum that makes the graduates and scholars industry ready. The strong alumni network across the globe is well knitted with the University in all their endeavors.

ABOUT DEPARTMENT OF MATHEMATICS

Mathematics plays an ever-increasing role in our shifting technological landscape. From engineers and economists to scientists and statisticians, a solid background in mathematics is absolutely critical for adapting to the new paradigms shaping our world. The department has well qualified and motivated faculty members and research scholars. This department is also providing support to several other departments and thereby has interdisciplinary expertise as well as vice - versa. The Department has acquired recently a comprehensive MATLAB Laboratory, competent faculty trained in the applications of various tools and techniques using this MATLAB software. Courses offered by the Department are B.Sc. (H) Mathematics, B.Sc. (H) Mathematics, M.Sc. Mathematics & Ph.D.

WORKSHOP OBJECTIVES

The aim of this workshop is to provide basic training in understanding the concepts of statistical analysis using R programming. The R programming language is one of the most widely used programming language among the data scientists and researchers. Being open-source software, it is freely available and allows integration with other applications. After the workshop the participants should be able to get familiar with R language, statistical analysis using R language, understanding to analysis research data and how to represent data using graphics in R.

VENUE

MATLAB laboratory, Lab No 10, Fifth Floor, Engineering Block, SRM University, Delhi-NCR, Sonapat, Haryana.

RESOURCE PERSON

- Dr. Mansaf Alam, Jamia Milia Islamia University, New Delhi
- Dr. Kapil Kumar, Central Uni. of Haryana
- Dr. Dharmendra Kumar Yadav, NIHFV, New Delhi

- Dr. Puneet Kumar Gupta, ICFAI University Dehradun

COURSE CONTENTS

- Introduction R Studio Software
- Basic programming and commands in R Software
- File and data handling in R Software
- Data input/output & import/export in R
- Matrix operations in R Software and other aspects
- Descriptive statistical tools
- Graphics with R
- Correlation Methods
- Regression & Multiple Regression using R
- Analyzing survey data using R
- Testing of Hypothesis
- Analysis of variance

REGISTRATION FEE

The participants are requested to register their names by sending the duly filled registration form in the format attached. Registrations are accepted on first come first serve basis. Registration fee for each participant:

Faculty Member / Research Scholars / PG Students: Rs. 2000/-

11th INDIA PROBIOTIC SYMPOSIUM

Call for Posters

Purpose

The Gut Microbiota and Probiotic Science Foundation (India) was set up in 2011, to create awareness about the emerging science of gut microbiota and probiotics among health care professionals and scientists in India. It also focuses on encouraging young scientists to research in the area and motivates them to delve deeper into the subject.

Visit our website for more information: www.gutfoundation.org.in

Young Investigator Awards

The awards will be given to researchers working in the area of Gut Microbiota, Lactic Acid Bacteria and Probiotics.

Eligibility

The candidate should be from a recognized National Institute or University. Age limit is below 40 years. The candidate must have publications in peer reviewed journals. Original work and unpublished work is preferred.

Submission of abstracts

The abstracts to be uploaded in the given format on the website of the Foundation:

- Title.
- Name of author-*The name of the presenting author to be underlined.*
- Institutional affiliation.
- Email of the author.
- Main Text – *Introduction, Objectives, Methods, Results, Discussion, Conclusion and Key Messages.*

Selection Procedure

The Gut Microbiota and Probiotic Science Foundation (India) Governing Body members, who are experts in the area, will be evaluating the abstracts. 20 abstracts will be shortlisted. Authors will be informed about their selection by the Foundation.

Submission dates

Submission open – **25th January 2021**

Deadline for submission – **10th February 2021**

Dear All,

I am happy to inform you that our University is organizing the **Probiotic Symposium on 13 and 14 March 2021** in association with Gut Microbiota and Probiotic Science Foundation in virtual mode as well as physical mode. The conference venue will be informed to you soon. Eminent scientists around the world (including Harvard University) have agreed to be the speakers for the Symposium. This will be a great opportunity to learn the simple methods of using Probiotics to prevent deadly diseases.

I am glad to inform you that the Probiotic Science Foundation has also instituted the **Young Investigator Awards** for scientists (**under 40 years**) who are actively doing research in the area of the **Gut Microbiota, Lactic Acid Bacteria and Probiotics**. More information is available in the attached file. We request you to circulate the information to your students and others, so that they can apply for the same. Please feel free to promote the event in your personal social media as well as forward it to other Universities and Research Institutions. The registration fee is waived off for all the students and faculty members from SRM University, Delhi-NCR, Sonapat. **The Departments of Biomedical Engineering, Biotechnology and Microbiology will coordinate the event. If you have any further questions, do not hesitate to contact Dr. Arpana Vibhuti or Dr. Ramendra Pati Pandey directly.** Don't send any response to this email, but directly contact the coordinators in the respective departments.
