

Faculty of Engineering & Technology
Department of Biomedical Engineering

Minutes of Meeting conducted with stakeholders for B.Tech. Biomedical Engineering course

Date of meeting: 18th May, 2021

Mode of Meeting: Webex Platform

Agenda: To discuss the revision of course curricula as per relevance to the local, national, regional and global developmental needs

Members Present:

1. Dr. Arpana Vibhuti- Associate Professor, HOD BME, BT & MB SRMUH
2. Dr. Anjali Priyadarshini- Assistant Professor, BME & MB, SRMUH
3. Dr. Archana Gupta- Assistant Professor, MB, SRMUH
4. Dr. Manoj Kumar Yadav- Assistant Professor, BME, SRMUH
5. Dr. Ramendra Pati Pandey- Assistant Professor, BT, SRMUH
6. Dr. Nehha Kasturiaa- Assistant Professor, BT, SRMUH
7. Dr. Vandana - Assistant Professor, BME, SRMUH
8. Ms Anu- Assistant Professor, BME, SRMUH
9. Manuka Bhatiani, Student Representative
10. Neha Aggarwal, Student Representative
11. Ashish Mishra, Alumni Representative
12. Parneet Kaur, Alumni Representative

Minutes of Meeting:

The following points were discussed in the meeting:

1. Modifications required in the syllabus to meet the industrial, health and research requirements.
2. The key sectors where students can apply for the internship/training.
3. More programs should be included for fortify the personal as well as professional development of the students.
4. The stakeholders were made acquainted with new setup of biomedical instrumentation lab and systems (UV-Vis, FT-IR and pH meter) purchased for the research purposes.
5. A discussion is held for live projects viz. training and internships for graduates.
6. The stakeholders were informed that the exams will be conducted in online mode.

Minutes of Meeting conducted with stakeholders for B.Tech. Biomedical Engineering course

Date of meeting: 2nd May, 2020

Mode of Meeting: Online Google Meet

Agenda: To discuss the course syllabus and its relevance to the local, national, regional and global developmental needs

Members Present:

1. Dr. Arpana Vibhuti- Associate Professor, HOD BME, BT & MB SRMUH
2. Dr. Anjali Priyadarshini- Assistant Professor, BME & MB, SRMUH
3. Dr. Archana Gupta- Assistant Professor, MB, SRMUH
4. Dr. Manoj Kumar Yadav- Assistant Professor, BME, SRMUH
5. Dr. Ramendra Pati Pandey- Assistant Professor, BT, SRMUH
6. Dr. Nehha Kasturiaa- Assistant Professor, BT, SRMUH
7. Dr. Vandana - Assistant Professor, BME, SRMUH
8. Ms Anu- Assistant Professor, BME, SRMUH
9. Manuka Bhatiani, Student Representative
10. Ashish Mishra, Student Representative
11. Pavleen Kaur, Alumini Representative
12. Sougata Bag, Alumini Representative

Minutes of Meeting:

The following points were discussed in the meeting:

1. The new elective subjects should be included to make course more flexible for the students.
2. The companies, research institutes and hospitals were suggested for the project semester of the students.
3. The subject based changes in the syllabus have been purposed.
4. Round table discussion with the students has been purposed for efficient doubt clearing.
5. The issues related to online classes were also discussed with stakeholders and assurance were given to solve these problems as soon as possible.

Minutes of Meeting conducted with stakeholders for B.Tech. Electrical and Electronics Engineering Program

Date of meeting: 12th July, 2017

Mode of Meeting: Room No.225

Agenda: To discuss the revision of Curriculum & Syllabus of B. Tech (EEE) as per relevance to the local, national, regional and global developmental needs

Members Present:

- | | |
|--|---------------|
| 1. Dr. R.B. Dubey, Professor (Head of Department, EEE) | : Coordinator |
| 2. Mr. Ram Murat Singh, Assistant Professor(EEE) | : Member |
| 3. Mr. Nurmesh, Assistant Professor (EEE) | : Member |
| 4. Mr. Gaurav Verma, Assistant Professor (EEE) | : Member |
| 5. Mr. Murali S, Assistant Professor (EEE) | : Member |
| 6. Ankit Singh, Student Representative | : Member |
| 7. Yogendra Singh, Student Representative | : Member |
| 8. Deepak Tushir, Alumini Representative | : Member |
| 9. Shivani Sharma, Alumini Representative | : Member |

Minutes of Meeting:

The following points were discussed in the meeting:

1. The suggestions were given regarding updating the syllabus of the subjects.
2. The research-oriented subject should also be included in the course plan.
3. The industries and regulatory organizations were suggested for the training/internship and placement of the students.
4. The stakeholders have suggested to conduct Employability test i.e., AMCAT and Cocubes exam for better placement opportunities

The meeting ended with thanks.

Stakeholders Meeting, Department of Mechanical Engineering, SRMUH, Delhi-NCR

Minutes of the Meetings

Date: 09.02.2018

A meeting between the stakeholders (parents, student representatives and industries expert) and the Department representatives was scheduled on 9th February, 2018 for various topics related to Academic progress, Training & placements, Industry interaction and lab facilities.

The meeting started with welcome address by Head of Department, agenda of the meeting was highlighted by HOD, ME.

The following member were Present

1. Mr. N.K. Sharma, Assistant Professor and Head
2. Mr. Ashok Kumar Mishra, Assistant Professor, ME Dept
3. Mr. Mandeep, Assistant Professor, ME Dept
4. Mr. Seetharaman, Maruti Suzuki, Industry Expert
5. Mr. Achint Alag, Student Representative, ME Dept
6. V.Ganesh, Parent Representative

Agenda 1: Academic progress

They were made aware about the course curriculum, Internal and External examination.

Agenda 2: Industry Interactions

The organizers of the meeting assured the stake holders that strong interactions between industries and institution is being made on the basis of Academia-Institution collaboration is being made and students must go to industrial visits.

Agenda 3: Food & accommodation

They were made acquainted with the facilities in hostels for the accommodation and food was planned in the hostel mess to check food quality.

Agenda 4: Lab Facilities

The stakeholder emphasis on the laboratory facilities to upgrade from conventional to non-conventional machine (eg: CNC).

Agenda 5: Course development

The stakeholder meeting emphasized on the development of courses relevant to immediate issues pertaining to nearby industries, regional and national issues.

The meeting ended with vote of thanks given by Dr. A.K.Mishra.

Minutes of the Meetings

Date: 06.02.2019

The Department of Mechanical Engineering organized a Stakeholder's Interaction meet on 6th February 2019, convened in the conference room. Mr. N.K.Sharma, HOD, ME, Welcomed the guests (parents, representatives from the industries) and also highlighted the agenda of the meeting with them.

- 1) First of all, the recent development in the department was pointed out to the guest by the HOD.
- 2) The organizers of the meeting underlined the efforts being made by the department to the parents regarding the academic progress and completion of the syllabus.
- 3) Also, he updated the parents that this year we are implementing CBCS (choice based credit systems) system in our course curriculum, Along with this, he sought necessary suggestions from the Industry Person for employment related courses and also understood the requirements which are their expectations from the educational institutions.
- 4) The meeting also focused on the development of new courses and with the input of nearby industries, topics covering their issues such as, inventory management, supply chain management and human resource management was included.
- 5) They were made acquainted with the facilities in SRMUH hostels and lunch was planned in the hostel mess to check food quality.

The meeting ended with the attendees visiting and getting familiarized with different laboratories in the department.

Minutes of the Meetings

Date: 22.02.2022

A meeting between the stakeholders (parents, representatives from the industries) and the Department representatives was scheduled on 21st February, 2022 for various topics related to Academic progress, Training & placements, Industry interaction and Food & accommodation of their wards.

The meeting started with welcome address by HOD and also, agenda of the meeting was highlighted by HOD, ME.

Agenda 1: Academic progress

They were made aware of the status of syllabus completion and was highlighted that exams will be held online.

Agenda 2: Industry Interactions

The organizers of the meeting assured the stake holders that strong interactions between industries and institution is being made on the basis of Academia-Institution collaboration is being made.

Agenda 3: Food & accommodation of their wards

They were made acquainted with the facilities in SRMUH hostels and lunch was planned in the hostel mess to check food quality.

Agenda 4: Training & placements and other activities

The students were indulged in design and fabrication of an ATV for BAJA, SAE 2022. The stakeholders wished the participants a best wishes for the competition.

The meeting ended with the attendees visiting and getting familiarized with different laboratories in the department.
