SRM UNIVERSITY AT A GLANCE

SRM Group of Institutions have 5 decades of legacy, 4 Universities, 7 campuses, 18 institutions and celebrated as one of the top-ranking Universities in India with over 70,000 students and 4,500 faculties. Based on sheer demand and greater accessibility, the need to establish a revolutionary campus in the national capital region paved way for SRM University, Delhi – NCR, Sonapat. The vision is to emerge as a leading world – class University that disseminates knowledge by adapting industry-oriented pedagogy in Engineering & Technology, Management, Law and Science & Humanities on par with international standards. SRM University, Delhi – NCR was established under the Haryana Private Universities Act 2006 as amended by Act 8 of 2013.

ABOUT DEPARTMENT OF MATHEMATICS

Mathematics plays an ever-increasing role in our shifting technological landscape. From engineers and economists to scientists and statisticians, a solid background in mathematics is absolutely critical for adapting to the new paradigms shaping our world. The department has well qualified and motivated faculty members and research scholars. This department is also providing support to several other departments and thereby has interdisciplinary expertise as well as vice - versa. The Department has acquired recently a comprehensive MATLAB Laboratory, competent faculty trained in the applications of various tools and techniques using this MATLAB software. Courses offered by the Department are B.Sc. (H) Mathematics, B.Sc. (H) Statistics, M.Sc. Mathematics & Ph.D.

VENUE

MATLAB laboratory, Lab No. 10, Fifth Floor, Engineering Block, SRM University, Delhi-NCR, Sonapat, Haryana.

WORKSHOP OBJECTIVES

The Workshop aims at deliberation, sharing knowledge to the participants about the Scientific & Technical Terminology of Research proposal writing. This workshop is intended to provide practical exposure to Faculty Members, research scholars and UG & PG Students of all the branches of Science and Engineering. Besides above teachers will initiate their research work by starting technical writing. This whole exercise enhanced their Technical Terminology of Research proposal writing with multi directional approach followed by multidisciplinary research & development work leading to their M.Sc. / M.
