

International Conference on “Structural Integrity and Interactions of Materials in Civil Engineering Structures” (SIIMCES2025)

21-23 May, 2025

SRM
UNIVERSITY
DELHI-NCR, SONEPAT

The Department of Civil Engineering, SRM University, Delhi-NCR, Sonapat is happy to announce the 1st International Conference on “Structural Integrity and Interactions of Materials in Civil Engineering Structures (SIIMCES-25)” to be held from 21-23 May 2025. The conference will be organized on the University premises in both online and offline mode (hybrid mode). The SIIMCES-25 aims to explore materials' structural integrity and interactions in civil engineering structures, fostering collaboration among researchers, practitioners, and industry experts to advance knowledge and innovation in material performance, durability, and safety. The scope encompasses a wide range of topics, including the examination of mechanical, thermal, and chemical properties of construction materials, factors influencing their longevity under various environmental conditions, and the development of innovative and sustainable materials. Participants will engage in discussions on performance assessment methods, design integration, and real-world case studies showcasing successful applications. Additionally, the conference will address current standards and regulations to ensure that advancements in material science effectively contribute to the civil engineering field, bridging the gap between theory and practical implementation.

Research articles are invited from the following areas, but not limited to;

- Mechanical, thermal, and chemical properties of construction materials
- Durability factors affecting material longevity in diverse environments
- Development and application of innovative and sustainable materials
- Methods for performance assessment and evaluation of structural integrity
- Design integration of material interactions for enhanced safety
- Real-world case studies showcasing effective material applications
- Current standards, regulations, and best practices in material use
- Impact of emerging technologies on material performance and applications
- Interdisciplinary approaches combining material science with engineering principles.

Submission Guidelines

- 250 words abstract is to be submitted at civilconference@srmuniversity.ac.in
- Abstracts will be reviewed and the authors of the accepted abstract will be allowed to submit the manuscript on author services at the proceeding website.

Category	Registration Fee*		
	Offline	Online	Late
Foreign Delegates	\$100	\$130	\$180
Academia	₹7000	₹7500	₹8000
Industry	₹9000	₹9500	₹10000
Author with 2 nd paper	₹6000	₹6000	₹7000

Publication of manuscript: **Scopus**

- The selected high-quality research papers from the conference will be processed for publication in Scopus-indexed Journals. Journals will also conduct a peer review on the quality of the accepted papers for possible publication in the proceedings. Kindly refer to the publication guidelines given on the conference website.
- The best paper will be selected among the presented papers and awarded.

* Registration fee includes publication charges and payment option will be made available from 20th January 2025 in the conference website.

International Scientific Committee

1. Prof. (Dr.). Cheng chin, Chair professor of Modelling and simulation, Newcastle University, England.
2. Prof. (Dr.). Ing. A. Karim Ait-Mokhtar, Director, La Rochelle University, France.
3. Prof. (Dr.). Krishna R. Reddy, Director, University of Illinois Chicago, USA.
4. Prof. (Dr.). Samir E. Chidiac, Professor, McMaster University, Hamilton, Canada.
5. Prof. (Dr.). Cuneyt Vatansever, Associate Professor, Istanbul Technical University, Turkiye.
6. Prof. (Dr.). Isaac Ibukun Akinwumi, Professor, Covenant University, Nigeria.
7. Prof. (Dr.). Prabeesh Punathil, Professor, Northumbria University, UK.
8. Prof. (Dr.). Salah Al-Toubat, Professor, College of Engineering, University of Sharjah, U.A.E.
9. Prof. (Dr.). Elyor Berdimurodov, Chemical & Materials Engineering, New Uzbekistan University, Uzbekistan.
10. Prof. (Dr.). Nemkumar Banthia, Scientific Director, The University of British Columbia, Canada.
11. Assoc. Prof. (Dr.). Sudharshan N. Raman, Associate Professor, Monash University, Malaysia.
12. Prof. (Dr.). Helena Gervásio, Professor, University of Coimbra, Portugal.
13. Prof. (Dr.). Arun Kumar, Professor, University of Salerno, ITALY.
14. Prof. (Dr.). Narottam Das, College of Engineering and Aviation, School of Engineering and Technology, CQ University, Australia.
15. Prof. (Dr.). Chandrasekhar Loka, New Generation Energy Storage Materials, INL - International Iberian Nanotechnology Laboratory, Portugal.
16. Prof. (Dr.). Vikas Kumar, New Generation Energy Storage Materials, INL - International Iberian Nanotechnology Laboratory, Portugal.

National Scientific Committee

1. Prof. (Dr.). Amarnath Hegde, Dean, Indian Institute of Technology, Dharwad.
2. Prof. (Dr.). Debasish Roy, Senior Professor of Computational Mechanics, Indian Institute of Science, Bangalore.
3. Prof. (Dr.). Dilip Hiradram Lataye, Professor and Head, V.N.I.T., Nagpur.
4. Dr. Harikumar M, Professor, National Institute of Technology, GOA.
5. Prof. (Dr.). B. Krishna Prapoorna, Professor & Head, Indian Institute of Technology Tirupati, Andhra Pradesh.
6. Prof. (Dr.). K.V.L. Subramaniam, Professor, Indian Institute of Technology Hyderabad.
7. Prof. (Dr.). V. B. Maji, Professor, Indian Institute of Technology Madras.
8. Prof. (Dr.). K. Muthukkumaran, Professor & Head, National Institute of Technology Tiruchirappalli.
9. Prof. (Dr.). Subhash C. Yaragal, Professor and Head, National Institute of Technology Surathkal.
10. Prof. (Dr.). S. Poornachandra, Principal, Sri Sakthi Institute of Engineering and Technology, Coimbatore.
11. Dr. S. A. Krishnan, Scientific Officer-F, Indira Gandhi Center for Atomic Research, Kalpakkam.
12. Prof. (Dr.). C D Modhera, Professor (HAG), S V National Institute of Technology, Surat.
13. Prof. (Dr.). G. J. Joshi, Professor, SV National Institute of Technology, Surat.
14. Prof. (Dr.). Sivakumar Ramalingam, Assistant Professor & Head, National Institute of Technology, Puducherry.
15. Prof. (Dr.). Kranti Gyanchand Jain, Associate Professor, National Institute of Technology Uttarakhand.
16. Prof. (Dr.). Saraswati Setia, Professor, National Institute of Technology Kurukshetra.
17. Prof. (Dr.). S. Karthikeyan, Professor, Chikkanna Government College, Tamilnadu.
18. Assoc. Prof. (Dr.). A. R. Krishnaraja, Associate Professor, Kongu Engineering College, Erode.
19. Dr. A. Mohammed Siraj Ansari, Scientist C, Central Academy for State Forest Services, Assam.
20. Prof. (Dr.). Ajay Kumar, Professor, National Institute of Technology Delhi.
21. Prof. (Dr.). Awadhesh Kumar, Professor, Delhi Technological University, Delhi
22. Prof. (Dr.). Rizwan Ahmad Khan, Professor, Aligarh Muslim University, Aligarh
23. Prof. (Dr.). Srinivas Tangellapalli, Professor, National Institute of Technology Jalandhar.
24. Prof. (Dr.). Upendhar Dhull, Professor, Kurukshetra University, Kurukshetra
25. Prof. (Dr.). Mahesh Kumar Jat, Professor, Malaviya National Institute of Technology Jaipur
26. Prof. (Dr.). R. Krishnasamy, Assistant Professor, Erode Sengunthar Engineering College, Tamilnadu
27. Prof. (Dr.). Pratik K. Ray, Professor, Metallurgical and Materials Engineering, Indian Institute of Technology Ropar
28. Prof. (Dr.). Suchit Kumar Patel, Associate Professor, Central University of Jharkhand, Ranchi
29. Prof. (Dr.). Deepak Yadav, Professor of Civil Engineering, Indian Institute of Technology, Jammu
30. Prof. (Dr.). Ankit Gupta, Professor, Indian Institute of Technology (BHU), Varanasi
31. Prof. (Dr.). Prabin Kumar Ashish, Professor, Indian Institute of Technology, Kanpur
32. Prof. (Dr.). Gourab Saha, Assistant Professor, National Institute of Technology, Rourkela
33. Prof. (Dr.). Sudhir Kumar Barai, Professor, Indian Institute of Technology, Kharagpur
34. Prof. (Dr.). Deb Dulal Tripura, Professor, National Institute of Technology, Agartala
35. Prof. (Dr.). Rajneesh Sharma, Professor, Indian Institute of Technology, Mandi
36. Prof. (Dr.). Hemant Kumar Vinayak, National Institute of Technology, Hamirpur
37. Prof. (Dr.). S. Christian Johnson, Editor-in-chief, Scientific Hub of Applied Research in Engineering & Information Technology
38. Prof. (Dr.). Muthulingam Subramaniyan, Professor of Civil Engineering, Indian Institute of Technology, Ropar
39. Prof. (Dr.). Ashim Kanti Dey, Professor (HAG), National Institute of Technology, Silchar
40. Prof. (Dr.). N. Umamaheswari, Professor, SRM Institute of Science and Technology, Kattankulathur.
